

PORTOLA BEAUTIES WILL ARRIVE TODAY

Rosarians, Too Restless to Await Arrival, Hasten to Vancouver.

ELABORATE BALL PLANNED

Automobile Club Will Banquet at Clubhouse Sunday and Complete Day's Fun and Surprises Arranged During Stay.

Royal Rosarians of Portland will give the Portola girls of San Francisco, who are to arrive here today from a tour of the north, the most enthusiastic greeting and three days of the most royal entertainment within their power...

The committee of three which was planned to meet the Portola girls in Vancouver this afternoon has grown miraculously to 15 or 16, who will wear in full uniform from J. Fred Larson's office at 11:45 this morning to cross over to Vancouver and form an escort into the city.

Reception to Be Attended. The train will arrive in Portland at 2 o'clock this afternoon. At 1:45 uniformed Rosarians—those who did not become impatient and join the Vancouver party—will assemble at the Union station to greet the visitors from California and escort them to the Multnomah Hotel, where their headquarters in Portland will be.

A special committee will attend them at 6:30 to the banquet at the Oregon Hotel, which will be followed by a reception and ball at which all the Rosarians and their women are expected to be present.

Monte Mayer is chairman of the banquet and reception committee, and he and his lieutenants have devised a number of surprises in the entertainment that will make it striking and brilliant. The Portland Automobile Club has assumed the entertainment of the visitors Sunday. An automobile trip, leaving the Multnomah Hotel at 2 o'clock and ending with a banquet at the Automobile Club in the evening, is the plan of W. J. Clomens, president of the club, and his committee.

"Seeing Portland" Monday. J. A. Curney, with a special committee of Rosarians, plans a "Seeing Portland" trip for the Portola girls Monday morning. A luncheon will be given at the Multnomah Hotel under the auspices of the management, and at 2:30 a reception will be held at Meier & Frank's store. At 5 o'clock the Rosarians, in civilian attire, will escort the visitors to the Union station, from whence they will leave on the 5:50 train south.

Robert Krohn is general chairman in charge of the committee on entertainment during the full three days. Following is the committee appointed from the Automobile Club for Sunday: W. J. Clomens, F. C. Rigney, J. H. Friendly, H. L. Keats, F. S. Doerner, A. J. Kingsley, Philip Metschan, Jr., Frank Watkins, John Yeon, George Stapleton, H. M. Dickinson, Roy Fiki and Lee Arnett.

FESTIVAL ARTICLES FILED

Objects of Association Include Encouragement to Rose Growers.

Articles of incorporation of the Rose Festival Association were filed for record yesterday in the County Clerk's office. The articles were signed by Franklin T. Griffith, C. C. Colt, W. F. Woodward, C. V. Cooper, Guy W. Talbot, W. E. Coman, T. L. Perkins, Ralph W. Hoyt, L. R. Alderman, Frank C. Riggs, A. H. Averill and J. A. Curney, the 12 directors of the association. The purposes of the association, as set forth in the articles, are to promote and manage an annual festival to be held in Portland and to encourage all inhabitants of Oregon to grow roses and other flowers for exhibition at the festival. No stock will be issued by the corporation, which has no property. The expenses of the festival and association are to be met by popular subscription.

CITY MAY BUY ITS HEAT

Northwestern Electric Quoting on Steam for Police Station.

Provided negotiations now under way materialize, the new Police Station and Emergency Hospital building at Second and Oak streets will be heated by the Northwestern Electric Company. Mayor Albee has under consideration plans for heating service from the company and if the price is low enough to justify, a contract will be entered into. Plans have been made for a heating system at the Police building, but there would be considerable expense in fuel and engineering service to keep it up. It is said that terms offered by the Northwestern Electric Company will make it possible to heat the building at a considerable saving.

YOUNG BURGLARS CONFESS

Robberies of Ten Lodging-Houses and Hotels Cleared Up.

With full confessions from George Yank, the 19-year-old burglar who was arrested by Detectives Royle and Goits with three others Tuesday, the robberies of ten local lodging houses and hotels have been cleared up. The goods taken in most instances were coats and clothing. The four boys, all of whom are said to be under 20 years of age, say that they are part of the gang of youthful burglars under the leadership of William Shadrack, who ransacked a number of homes at Seaside, Astoria and Portland in the past two months.

PAVING PROTEST IS MADE

Head of Contracting Company Says City Acts Unjustly.

Declaring that the city's policy of fining street paving contractors for delinquency in completing work, is not sound, I. N. Day, of the Oregon Independent Paving Company, yesterday protested to the City Commission against recent penalties imposed on his company for delays. Mr. Day said that the delays were necessary and could not be avoided and for that reason no penalty should be imposed. "The city follows the policy of imposing fines for trivial matters of this kind," said Mr. Day, "but

It makes no provision to make payments to contractors on completed work when the payment is in order. Our company has street improvements amounting to thousands of dollars completed and is unable to get the money. This delay costs a great deal in the way of interest. Here we stand the brunt of this policy and the city imposes penalties for a policy which ties up our money and causes us to pay out thousands of dollars a year. "Is it not a fact?" asked Mayor Albee, "that the contractors make provision in their bids for contracts for this as an overhead charge?" "They absolutely do not," replied Mr. Day. "It is a fact that Portland is getting better paving prices now than any other city in the United States."

MILK THREATS CURBED

City to Legislate on Question of Missing Bottles.

To curb threats on the part of dairymen all over the city that the loss of milk bottles is to necessitate an increase in the price of milk in the near future, an ordinance is being drafted by City Milk Chemist Calloway which, if adopted by the City Commission, is expected to eliminate the milk bottle trouble. It is declared that the dairymen has no way to recover a milk bottle when he leaves it at a store or at a residence. RESCUE WORK IS PLANNED

Officials of Salvation Army Will Speak Tomorrow.

Mrs. Commissioner Estill, of Chicago, Western rescue and slums secretary of the Salvation Army, accompanied by Brigadier Mary Stillwell, her assistant, will speak at the city hall on behalf of the Portland Rescue Home. She will conduct the Sunday 11 A. M. service at the Army hall, Second and Ankeny streets, at 3:30 P. M. Other speakers will be Colonel T. W. Scott, of Seattle. Brigadier Stillwell will speak at the Marshall-street Presbyterian Church, Seventh and Grand streets, at 7:30 P. M. The afternoon lecture will be confined to women and girls over 16 years of age; subject, "Why Girls Go Wrong." All are invited to the evening service; subject, "Rescue and Slum Work."

MEMORIAL SERVICE IS SET

Tribute Will Be Paid Late Mrs. Thomas Boyd in Portland.

A memorial service for Mrs. Thomas Boyd of French Creek, who died a few days ago at that place, will be held in the Fourth Presbyterian Church of Portland, corner First and Gibbs streets, tomorrow at 4:30 P. M. Other speakers will be J. W. Milligan, D. D., Rev. W. S. Holt, D. D., and others who will be the speakers. Mrs. Boyd was the wife of Rev. Thomas Boyd, D. D., who died at the Fourth Presbyterian Church, and acted as its pastor for more than 14 years. Mrs. Boyd was known not only for her great interest and work in connection with the local church, but for other religious interests throughout the city. Old-timers and acquaintances of the bereaved family are cordially invited to be present at the service.

PRECAUTIONS ARE URGED

Caution May Order Roping Off of Streets at School Buildings.

To lessen the danger of accidents to school children during recess hours, the City Commission will consider at its next meeting a proposed ordinance establishing a speed limit of eight miles an hour in front of school buildings in addition to this a measure will be enacted to make it possible to rope off streets at school grounds so that children can play there during recess. The measure is urged by a number of improvement and commercial organizations and at an informal discussion yesterday met with the approval of members of the Commission.

SALE OF BAD FRUIT COSTLY

Peddler Fined \$20 in Municipal Court and Goes to Jail.

Unable to refund the price of bad apples which he sold to Mrs. J. H. Good, of 795 Vaughn street, or to pay the \$20 fine imposed by Municipal Judge Stevenson when he was convicted of selling unwholesome fruit, O. W. Lawton, a peddler, went to jail yesterday. The fruit on the top of the box, Mrs. Good testified, was in fine condition but the apples beneath were partly decomposed.
