The minimum school tax of \$8.70 per capita for each school child is fixed by law. The advisory budget and road committees have recommended the county and road levies and little change will be made by the commissioners. The total of 27.4 may be increased slightly by change will be made by the commissioners. The total of 27.4 may be increased slightly by a levy for the county high school fund. Superintendent Armstrong said yesterday that a .15 mill levy might be sufficient, but that the levy must be made by the Commissioners meeting with the Superintendent and the County Treasurer.
