others to keep the development of the
river and harbor progressing.

INDOOR WORK
REDUCES STRENGTH
because confining duties, lack of fresh air and
sunshine gradually weaken even a strong
constitution, and the enfeebled system readily
accepts sickness and disease.
Scott's Emulsion checks such decline. Its pure cod
liver oil is nature's grandest medicinal food while
its hypophosphites act as a building tonic.
It refreshes the body, puts vigor in the
blood, strengthens the lungs, upbuilds
the nerves and invigorates the whole
system.
If you work indoors, Scott's Emulsion
after meals will prevent much sickness
and loss of time, and often thwarts
subacute conditions—It builds up and holds
up your strength.
Shun Alcoholic Substitutes and
INSIST ON SCOTT'S.

EXTORTION PLOT ALLEGED

Two Under Arrest, Said to Have Lev-
ied Tax on North End Woman.

As parties to an alleged extortion
plot, with the muting of Ida Allen,
of 88 Broadway, as its object, Minor
McLain and W. H. Pumpreys were ar-
rested yesterday by Plainclothes-
men Griffith and Evert.

Pumpreys was carrying a loaded .41-
caliber revolver in the waistband of
his trousers when taken. He was
charged with carrying concealed weap-
ons. The woman said that she was
approached by the two some time ago
and was informed that if she paid
them a certain sum of money they
would give her police protection.
She informed the police and laid a
trap. She was to have a sum of money
waiting for them and was to light a
lamp in her front window when it
would be safe for them to come in.
McLain answered the summons as he
was caught. Pumpreys was arrested later.
JEWELER AND THIEF DUEL
Six Shots Fired in Junction City, but
Robber Escapes With Loot.

JUNCTION CITY, Or., Jan. 16.—(Spe-
cial.)—The jewelry store of Fred Rose-
borough, of this city, was robbed after
this morning. The east end of the
show window was broken out by the
thief, who stole the watch cases and
other articles on display. The total
value of the loot was estimated at \$100.
The breaking of the window aroused
Mr. Roseborough, who sleeps in the
rear of the building. He picked up a
revolver and fired five shots at the
thief. The robber fired one shot back.
Mr. Roseborough thinks one of his
shots struck the robber.

Baltimore, Md.—"I am more than
glad to tell what Lydia E. Pinkham's
Vegetable Compound did for me.
I suffered dreadful
pains and was very

W. KONNER, 1632 Hollins Street, Bal-
timore, Md.
Lydia E. Pinkham's Vegetable Com-
pound, made from native roots and
herbs, contains no narcotic or harmful
drugs, and to-day holds the record of
being the most successful remedy for
female ills we know of, and thousands
of voluntary testimonials on file in the
Pinkham laboratory at Lynn, Mass.,
seem to prove this fact.
For thirty years it has been the stand-
ard remedy for female ills, and has re-
stored the health of thousands of women
who have been troubled with such ill-
nesses as displacements, inflammation,
ulceration, tumors, irregularities, etc.
