# WE START YOU ON THE LAND, COWS WITHOUT CASH.

We will give you a start on one of the best tracts of irrigated land in California in a district where there has never been a water shortage or crop failure; where anybody can make good, whether experienced in farming or not. Any sized tract you want.

All the cows you can care for furnished without a cent of cash down and half the butter fat receipts taken in payment. Several breeds of cows \$75 and up, or you can buy your own cows and we put up the money.

money.

An acre of alfalfa land in this, the famous Los Mollmos district, yields 10 tons, and will support an average of more than one cow and three hogs the entire year. You can take a revenue from the land dairying, every year, almost equal to the seiling price.

Beautiful country. Plenty of pure drinking water; fine schools; good country for all kinds of fruits and vegetables. Oranges and nuts profitable crops. All the water for irrigation you want whenever you want it. Land seiling with a rush.

and employment departments.

FAM looking for a man who wants a position, not a job. There is a big difference, i want o man who is not content to receive each pay day but little more than a man who is not content to receive each pay day but little more than a man who FEELS he has the ability. KNOWS he has the backbone and is WILLING and KEEN to tackle a business which is making other men \$5000 a year and more without any of their own money invested. Perhaps you are one of the many holding down a job when you have the shilly to fill a position. Are you advancing from year to year, both financially and otherwise, as much as you feel you are capable of doing? If you are not, get out of that rut and come up and see me. I want a live whre who is making a success of selling goods, but who is not receiving the money he thinks he should. Show may you can qualify and I will show you have group resident fruit times a progressive institution of its kind on the Coast. A. B.
