

CROSSTOWN LINE FRANCHISE GIVEN

Commissioner Bigelow Only One to Oppose Granting Traction Request.

LONG FIGHT FINALLY WON

Cars Within Year Will Be Running Between 24th and Broadway and 29th and Hawthorne Streets. Grant Runs 25 Years.

By vote of four to one the City Commission yesterday granted a franchise to the Portland Railway, Light & Power Company for a cross-town streetcar line on the East Side...

The passage of the ordinance marks the culmination of a long fight for the line, which is considered one of the most important branches of the streetcar service on the East Side.

For more than six months delegations have been dickering over the question of routing of the cars, some wanting the line to run on Broadway from East Twenty-ninth to Montavilla...

Commissioner Bigelow announced that he voted against the franchise because he believed the route should have been over Broadway instead of over Halsey street.

How to Avoid Perils of Impure Blood

A Searching Internal Blood Bath Insures Proper Elimination of Causes of Most ILL Health

As the Tub is to Outward Cleanliness, so is S. S. S. to Inward Purity

Whenever men gather together in city club or country store there is certain to be someone who knows what was accomplished by S. S. S. It is usually some stubborn case of an indolent blood eruption, or some skin affliction that long defied all other treatment.

It is a condition of perfect health the system takes care of itself.

This means that impurities absorbed by the skin are checked and made harmless by secretions selected by nature to render the peculiar service.

And it also means that those atmospheric impurities which are breathed into the respiratory system to find lodgment in the tissues and set up a condition of disease are attacked and made innocuous by the body's ability to take care of itself when in a perfectly healthy condition.

But so it is rare that anyone is in this state of ideal health, all sorts of diseases attack the blood. Thus the system must have help and S. S. S. has been found to give this
