MEN! The Great Holiday Sale of TIES Makes Its Bow at 9 A. M. Today

And It Is Beyond All Manner of Doubt Far and Away the Greatest Sale of the Year!

A Special Purchase Made Nearly 12 Months Ago Accounts for the Quite Unprecedented Values 4000 Fine Silk Ties

Every One New, Beautiful, High-Grade Every One Radically Underpriced at

\$1.65

Regular to \$4.00 Values

Each year we inaugurate the holiday season with a sale of men's ties that at once sets all men and women who buy for men planning and purchasing the holiday's neckwear requirements. These sales are famous the whole length of the Pacific Coast.

This year's sale is the best of them all!

We purchased nearly a year ago from C. Stern & Mayer, N. Y., and another celebrated maker, 4000 high-grade silk ties for an introductory event worthy of the holiday season. Frankly we intended to hold the sale earlier than this and to mark many of the ties at a higher figure—some "special" at fully a dollar more than this sale's price, \$1.65. Conditions, as you know, have been unfavorable for some time to an event of this magnitude.

It is a clear gain for you all the way through.

Here are 4000 spic and span new ties. Made of finest IMPORTED and domestic silks by two of the country's leading manufacturers. Superb silks from Switzerland, from Italy, from American mills—the finest, richest, heaviest and most exclusive qualities. Taffetas, satins, Persians, basket weaves, brocades, ombres—every fine weave, pattern and coloring. Generously cut wide flowing end four-in-hand scarfs, perfectly made, with slip-easy bands. Ties for men of all ages and tastes from the most conservative to the most advanced. Complete in beautiful sets. The cream of fine silk neckwear.

Ties that would sell regularly up to \$4.00 on sale today beginning at 9 A. M., \$1.65. Extra salespeople. Additional selling space. Buy for gifts—buy a year's supply in this sale. See Morrison street windows. Come early! —Meier & Frank's: Men's Furnishings Shop, Main Floor.

Opening Tomorrow in Our Sixth Floor Auditorium

The Countess of Kingston Irish War Exhibit

Admission to this wonderful exhibition of authentic war trophies, relics and battle pictures is absolutely FREE to our patrons.

Lady Kingston who personally supervises the exhibit is touring the country to raise money in this way for the Shamrock Fund in aid of disabled soldiers and sailors of all religions—this and other leading stores have donated substantially to the Fund.

The exhibit comprises over 100 official photographs taken on all the battle fronts, at sea and in the air; the Union Jack carried by Viscount French of Ypres; the fighting lights, portion of bridge and Lewis machine-gun sling taken from the British battleship "Vindictive" (perhaps the only piece above water); medals, historical souvenirs in great variety.

Lady Kingston invites you to this great War Exhibit, beginning tomorrow.—Sixth Floor.
