

BASEBALL FANATICS CHARGE ON REDLAND

Cincinnati All Wrought Up Over World's Series.

MANY NOTABLES ATTEND

Actors, Business and Professional Men Alike Flock to Witness Great Diamond Duel.

CINCINNATI, Sept. 29.—With every available seat and every available space for standing room in the enclosure at Redland field, supposed to accommodate 33,000 baseball enthusiasts, assigned or sold, everything appears to be in readiness tonight for the opening game of the world's championship baseball series of 1919 Wednesday.

Never in the history of this city have such scenes been enacted as were visible today in the hotels. The decks of the hostels were packed three deep with visitors trying to obtain sleeping accommodations, and these were being added as every incoming train arrived. Never has Cincinnati been called upon to handle such an enormous crowd and it is safe to say that never before has she been the host to so many men prominent nationally in their various walks of life.

One of the first special trains to arrive came from New York and brought 75 of the newspaper correspondents. Among the actor folk to be seen early are George Cohan, the playwright; Roscoe E. Arbuckle and Charles Ray of moving picture fame.

Pittsburgers on Hand. Another special train brought 150 Pittsburg business men.

Among the baseball men who were early arrivals were Colonel Houston of the New York Americans; President William Veck of the Chicago Nationals and Len Combs of the Pittsburg business manager of the world's series for the National league. The railroads assure that special trains containing 100 oil men from Texas would arrive here early tomorrow morning.

Federal officers began a systematic canvass of the sale of tickets today and announced that they would be made on all tickets which would be regular box offices and that every effort will be made to uncover not only the unlicensed professional but also the temporary scalper, if unlicensed.

Mayor John Galvin and the safety director today issued vehicle parking rules that will apply to all streets in the downtown section as well as those near the ball park.

Police Arrangements Made. At the same time the safety director gave his assignments to the police department relative to handling the crowds. The Cincinnati detective force will be augmented to an appreciable extent by members of the forces from other cities. As for the ballplayers they were little in evidence. The Reds were in the afternoon practice while in the afternoon the entire team, in a body, visited the Lottoria race track.

Tomorrow morning the Reds will have Redland field to themselves during the forenoon, while the Reds will practice during the afternoon.

At Redland field nothing remains to be done. The new bleachers in left field have been erected in the afternoon. The press stand on top of the grandstand. The 46 wires that will be necessary for the carrying of this series to all parts of the country have been installed in the press boxes and insofar as arrangements go they all are now ready to go.

It was announced that Robert Newhall of the Commercial Tribune would officiate as the third official scorer with J. Taylor Spinks of St. Louis and Willie Green of Philadelphia, the national commission appointees.

WHITE SOX ARE CONFIDENT

Eddie Cicotte Almost Certain to Pitch Opening Game.

CHICAGO, Sept. 29.—Manager "Kid" Gleason and 23 members of the Chicago White Sox American league pennant winners, left here tonight for Cincinnati, where they will meet the Cincinnati Reds Wednesday and Thursday in the first two games of the world's series.

Every man on the team was declared to be fit for the championship games and each expressed himself as confident that the Sox would come back to Chicago Friday with a two-game lead over the National league rivals. Manager Gleason has given his team a complete rest since they clinched the pennant several days ago. In the final three games of the season, each of which resulted in a defeat for the Chicagoans, the lineup was made up mostly of substitutes and the regulars played such indifferent ball that they were booed and hissed by many fans at yesterday's games.

A stiff practice had been planned for today, but it was called off last night but the Comiskey park in such shape that it was thought best to call off the practice and let the ground crew work on the park getting it ready for the first game here Friday. Gleason and his players held a conference this afternoon, however, making their final plans for their invasion of National league territory.

Tomorrow the team expects to take a stiff workout in Cincinnati.

While no definite announcement has been made, the White Sox players are sure that Gleason will pick Eddie Cicotte to hurl the opening game, with Claude Williams as the likely nominee for the second contest. Gleason said Cicotte and Williams would work the first two games, but would not say whether the right-hander or the southpaw would be his first choice. Both are expected to be in their best shape. Cicotte having recovered from the soreness which troubled him in the latter part of the season.

Louis Combs, coach of the owner of the White Sox, did not accompany the team today. He is reported seriously ill.

Arrangements have been made for hundreds of fans to leave tomorrow for Cincinnati, only a few newspaper men accompanying the team today.

Big League Gossip. MANAGER STALLINGS OF Boston will seek for a left-handed pitcher with some club that has a surplus. There is no southpaw on the pitching staff of the Braves.

Grover Alexander is winding up the season in top form. His recent game at Chicago, winding up the home stand of the Cubs was as good as any he has ever pitched. He recled

the game off in fast time and was never in danger.

A trip to Montreal is being planned by the New York Giants, where they have been offered a guarantee of good money to play a series with an all-star team from a Montreal independent league.

Rube Benton, failing to get into a world's series this fall, has consoled himself by getting married. The bride was Miss Elsie McNutt of Cincinnati.

Pitcher John Paul Jones, who goes to the Boston Braves in the NFL deal, returned to his home in Louisiana after the close of the International season, and will not report to Boston until next spring.

Signs of waning of Cincinnati confidence in the outcome of the world series: Chicago men, hearing they could get odds in Cincinnati, sent a lot of money to be bet on the White Sox. And the Cincinnati fans wanted odds!

State, the manager who has been substituting for Ross Young in the Glantz' outfield, is a Holy Cross college boy. Besides being some ballplayer he is a crack golfer.

Walter Johnson, having done a season's work for Clark Griffith, was allowed to go home last week to look after his farm. He has engagements to pitch several exhibition games around his home town.

After the bumping that Connie Mack's rookies gave Urban Faber recently so much has been heard of Faber as a dark horse for Gleason in the world series. Faber rocked along in the teams Play Plus Week, San Francisco at Portland, Sacramento at Seattle, Vernon at Los Angeles and Salt Lake versus Oakland at San Francisco.

AMERICAN CURTAIN DROPS

Yankees Clinch Third Place in Last Game of Year.

PHILADELPHIA, Sept. 29.—New York defeated Philadelphia in the season's final game here, clinching the American league pennant.

CHICAGO, Sept. 29.—(Special.)—When Kid Gleason conducts his cohorts into the city of deserted breweries for the opening tilt with the Moran-Herrmann combine he will unloose upon the Redlanders the nicest little left-handed heaver in the American league.

Only the marvelous results of Cicotte's famous shins have kept "Lefty" Williams from being the reigning monarch of Ban Johnson's assortment of throwers. Even so that it is worth mentioning that last exactly the same number of strikeouts as Eddie the Shiner, and won 23, which is but five less than his sensational teammate.

Like General Pershing and Oscar Souder, Mr. Williams comes from the state of Missouri. With all due respect to the two clubs that he is expected to win games in St. Louis for a number of years, Claude Williams gave the a beset sweetheart treatment to exactly 305 Coast league batters. They "missed" him very much. The nearest approach to this tremendous strikeout total was by Gregg of Portland several years before.

This little friendly act earned him passage to Detroit. He took

three turns in the box for the Tigers in 1914 and his salary was suddenly stopped. Being fond of meals and a place to sleep, he looked elsewhere for business connections, whereupon a calling was received from the distant west. This being before the railroad administration got to kidding the public, Claudius did not have to wait many days for a train and soon found himself in the capital city of California.

Williams had a phenomenal although a losing year with Sacramento. He won 13 and lost 29 games, 14 of the latter being by one aggravatingly mealy tally.

In 1915 he moved to Salt Lake with the Sacramento franchise and hung up a record of 33 wins and 12 games lost. This great showing is easily accounted for when it is recalled that during the exposition year Williams gave the a beset sweetheart treatment to exactly 305 Coast league batters. They "missed" him very much. The nearest approach to this tremendous strikeout total was by Gregg of Portland several years before.

The following season he joined

the White Sox and after idling the first two months of the season finally turned in a card showing 13 wins and 8 lost. The Sox took four straight games from the Cubs that year in the post-series battle, but Williams was the only twirler

able to whitewash the National leaguers.

In 1917 the Sox won the pennant, but in the struggle against the Giants Williams was practically ignored. In fact he will go up against the best artillery in Ohio

Yesterday's Results. No game, teams traveling. BY HARRY M. GRAYSON. San Francisco will open the closing week of the very successful 1919 baseball season at Twenty-fourth and Vaughn streets commencing at 2 o'clock this afternoon. The Seals are scheduled to arrive this morning fresh from dropping five out of nine games to the Oaks.

With the world series getting under way tomorrow at Cincinnati any finishing position in the league standing of every club known with the exception of Los Angeles and Vernon, there is little interest in any of this week's series with the exception of that set of games between the Seals and Tigers, who will open hostilities at Washington park, Los Angeles, tomorrow. The postponement from today is due to the long jump Wade Kilfer's pets are making from Seattle. Sacramento closes the season at Seattle, with Salt Lake winding up the show opposing the Acorns at San Francisco.

Manager Charles Graham of the Seals, who was beaten out of fourth place by Bill Rodgers' hired men, has been trying out a flock of youngsters the past few days and may fetch three or four of them north. The kids who have been getting "try" pretty well—considering their inexperience, are Pitcher Lundberg, Catcher Anfinson, Infielder Codrington and Outfielders O'Connell and O'Connell. The latter was with the club in the spring, was found wanting and shipped to the Western league, where he finished up among the leading hitters, and was regular.

Grabam will fetch the following regulars in the batbag: Pitchers, Carl Zamoick, Jim Scott, Tom Seaton, Johnny Couch, Lou Smith and Jack Bromley; catcher, Red McKee; infielders, Roy Corhan, Phil Koerner, Jimmy Cavensy and Willie Kamn; outfielders, Maurice Schick, Herbie Hunter and Justin Fitzgerald.

Manager Bill Rodgers and his collection of big game hunters from down Sacramento way do not think much of the city of Seattle. As evidence of this fact the Capital City boys did not leave for the Sound city until last night. They spent yesterday taking a final peek at this fair city, including a trip over the Columbia River highway.

Vinegar Bill Essick's Vernon club must play wonderful ball against Los Angeles in order to win the 1919 pennant. The Seals did not give the Redlanders a contest, and Seattle are going at top speed. You must remember that they were knocked off the top perch once, have staged a comeback and have that fighting instinct aroused which will make them an aggregation hard to handle.

On the other hand, the Tigers, with their top-heavy collection of twirlers, looked Kilfer's men when the two teams last met and are confident that they can repeat the chase and now they out. With a \$10,000 bonus going to the winner and a chance to cop a lot of coin in the post-season series with St. Paul, there are going to be seven real live miniature Chateaux Thierry down south.

News over the telegraph wire last night conveyed the information that Pitcher Jim "Death Valley" Scott, late

captain in the United States army and known chiefly to fame as the stellar chucker of yesterday for the Chicago White Sox, has accepted terms with the Seals for 1920, thereby setting at rest the rumor that he could quit baseball at the close of this season and devote himself to business. Scott was won eight straight games for the Seals.

Outfielder Harry Wolter and First Baseman Art Griggs of the Yippers yesterday announced that this was their last season playing the national pastime. However, it becomes necessary to wait until next spring to see what effect the March bug will have on them. Both are as busy as inter-scholastic football players and have several good seasons left.
