RAIN SLOWS STRUGGLE

Hill's Boot From 20-Yard Line Gives Double J Squad Only Marker of Wet Day.

A drop-kick by Hiatt, James John left end, from the 20-yard line in the second period gave the double "J" squad a 5-to-0 victory over the sturdy Hill Military academy team yesterday afternoon on Multnomah field. The first half of the game was played in a steady downpour, which soon soaked the ball and players and made the gridiron soft and treacherous. Hill came within striking distance of the Saints' goal twice during the contest, once in the first period and again in the last period but couldn't put the ball across for the marker. James John had the ball deep in the Cadets' territory several times and three times during the game the Hill gridders were forced to put up a stubborn defense on their own goal line to keep the ball from being shoved across by the James John backs. Dick Girt, the double J halfback, came near adding six more points to his team's score when, with only a few seconds left to play in the last period, he circled right end for a 30-yard run, but stepped out side one foot from the goal line. The whistled blow for the end of the game before the teams could line up for another play.

Cadets Gain on Kicks. In the first period Hill came within 20 yards of the Saints' goal when an exchange of punts between Churchill of Hill and Girt of James John gave the Cadets the best of it. The Hill team couldn't advance beyond the 20-yard line, however, and lost the ball on downs. James John immediately punted out of danger.

James John took the pigskin to Hill's ten-yard line in the second period with a 15-yard run by Vin Brown and a 15-yard pass. Ohm Toole, which placed the ball within 17 yards of Hill's goal line. A series of line smashes by the double J backs placed the ball on the ten-yard line, where the Cadets held.

Churchill punted on his own goal line and Girt returned the kick to the 25-yard line. Jessup added five yards more through the line and on the next play Left End Hiatt stepped back and booted the ball over the bar, making the only score of the game.

John Threatens Again. In the third session James John again threatened to score after two aerial shots, Hiatt to Toole and Ohm to Girt, had connected and placed the ball in Hill's territory. Hill held and James John was forced to punt. The kick was blocked and the Saints recovered the ball. A couple of five-yard offside penalties on Hill and a short gain through the line by Full-back Jessup put the pigskin on Hill's three-yard line, where the Cadet line held and the double J team lost the ball on downs.

Churchill punted from back of his own goal line. James John brought the ball to within 12 yards of the Hill line when a pass Ohm to Brown, was made good for 15 yards. They took the ball on the next play by an incomplete pass over the goal line.

The Cadets started an aerial attack in the last period, which in the contest seem more like a basketball game than a gridiron affair. Two of the passes connected. Enzy to Goodrich for ten yards, and another, Day to Churchill for 25 yards.

Churchill, Hiatt, Day and Goodrich were in the limelight for the losers, while Dick Girt, Jessup, Vin Brown and Toole featured for the victorious eleven. The summary:
