

GRID COACHES SEEK WINGED M CONTEST

Football Mentors Agree to Play for Charity.

NEW YEAR'S DATE SET

Acceptance of Challenge by Multnomah Amateur Club Awaited by Former Star Players.

A football game between the Multnomah Amateur Athletic club and an all-star aggregation composed of the coaches of the northwest intercollegiate conference...

The plan was broached Saturday in Spokane at the northwest intercollegiate meeting and was met with enthusiasm by all of the coaches...

That the coaches could assemble quite a formidable eleven is apparent with men like Dick Rutherford, Gus Dorais, Shy Huntington, Ken Bartlett, Ray Williams, Hank Appelquist, Bart Spellman, Vincent Borleske, Stub Allison and Gus Welch in the lineup.

Rutherford, Oregon Aggie mentor, starred for four years at halfback for Nebraska, being selected by Walter Camp on his All-American eleven...

Lineup is Strong. The backfield of Multnomah took in the deck for the fray and in good condition as the result of three months' work with a coach of college hunkies...

To fill in any vacancies which might be on the coaching staff at center, several former college stars now coaching high school football would be added to the coaching staff...

At least the coaches have hurried down the gauntlet and it is now up to the Multnomah club to pick it up or leave it.
