

GERMAN CATHOLICS ACTION IS SCORED

Patriotic Organizations Want Church Federation Probed.

HOT RESOLUTION ADOPTED

Delegates Draw Up Condemnation of Teuton Utterances in Scathing Terms.

After writing three resolutions, delegates from the various patriotic societies of Portland finally got one warm enough to suit in condemnation of recent pronouncements by German Catholic societies in session here recently.

Two earlier resolutions, upon discussion, were found to lack teeth, and the third one, drawn by a committee formed by one member each from ten patriotic organizations, denounced in sufficiently strong terms to meet the approval of the patriots adopted for the purpose of scathing the recent German utterances. Moreover, the resolution called upon the government to investigate the activities and propagate of utterances complained of that further unpatriotic propaganda might be curbed.

Catholics Join Protest.

Five veterans of the American Legion, all Catholics, drew one of the early resolutions. Cicero F. Hogan, speaking for his colleagues, said they considered it a specially irritating circumstance that the German resolutions were uttered by an organization avowedly Catholic. Yet when the German groups were battling bigoted Rhinism, Catholicism, they were not rock, he said, there were no resolutions from these persons denouncing such action and calling upon the government to refrain from their vengeful actions.

Resolution is Adopted.

After some deliberation this committee brought in the resolution adopted, as follows:

Whereas, the undersigned, representing the following American patriotic organizations of the city of Portland, have met to protest against certain resolutions adopted by the Federation of the German Roman Catholic Societies of Oregon at their recent annual meeting held at the Hotel Vancouver, and the substance of which resolutions were published in the public press of this city, and whereas, among the resolutions adopted by said society, were a number criticising the attitude of patriotic American societies, in their action in support of the government of the United States in its efforts to combat and suppress the disseminating and diabolical utterances of individuals and organizations, and

Protest is Unanimous.

John K. Kollbeck was chairman of the meeting and Walter Bear was elected secretary. Both were adopted by the Sons of the American Revolution. Among those who made talks, all of which were in strong support of a suitable resolution denouncing the objectionable German utterances, were Robert E. Smith, Judge J. O. Stearns, L. D. Mahone, Mrs. Martha Daniel and J. H. Gay.

Representatives of the various organizations represented Wednesday had authority to act for each of the different societies. However, it was directed that copies of the resolution be given to the newspapers and sent to the different societies interested in last night's meeting.
