

ALLEGED DEBT BILL VOTE TO BE TODAY

NIGHT SESSION POSSIBLE

Opponents Charge That Deferring of Payments is in Favor of Big Interests.

WASHINGTON, D. C., Jan. 27.—Agreement to press the alleged debt refunding bill to a vote tomorrow, even if it necessitates a night session of the senate, was reached late today by republican and democratic leaders, after five hours of debate.

Cancellation is Suggested.

Senator Reed also declared that if the commission could defer interest payments for ten years, as he said one senator had suggested might be done in the case of some countries, there could be a cancellation of the whole debt, as the accumulated interest for 10 or 12 years would be equal to the principal of the debt.

Morgan Interest Charged.

He added that these banks and trust companies were closely affiliated with the Morgan and allied banks which floated great loans for the allies in this country before war was declared on Germany.

NOISE TO HERALD DRIVE

(Continued From First Page.) advised of the daily progress of the drive, Mr. Wells said that the drive is not only unusual but unique, and that it cost him at least five minutes profound cogitation.

Traveling Chest Arranged.

"We have a tractor, housed over with an enormous community chest. A traveling chest, pulling its way uphill—theoretically—from the start to the finish. Each day at noon that tractor, that chest, goes forward just as far as the contributions warrant. A quarter of a block—that means so many thousands. And every day, before she moves, we open that chest and dump in the money. No hand notion, if I do say so, as a shout-out."

2500 Employees Assemble.

At 5:45 yesterday afternoon the 2500 employees of the Meier & Frank store, assembled on five floors, were pledged to the community cause at a rally supervised by Fred L. Carlton of the speakers bureau. Campaign orators who addressed them were E. M. Welch, N. R. Jacobson, Eugene Brookings, Judge John H. Stevenson and Hamilton Johnston.

Meeting is Enthusiastic.

By far its most enthusiastic meeting this week was the flying squadron's luncheon yesterday in the Multnomah hotel ballroom, which pepped up the squadrons to a high degree of confidence in the outcome of the campaign.
