

"History is a great teacher. Now everyone knows that the labor movement did not diminish the strength of the nation but enlarged it. By raising the living standards of millions, labor miraculously created a market for industry and lifted the whole nation to undreamed of levels of production. Those who attack labor forget these simple truths, but history remembers them."

—Dr. Martin Luther King, Speaking to the AFL-CIO on December 11, 1962

Celebrate the life of Dr. Martin Luther King.

As a Labor Union, it is our primary goal to better the lives of all working people through advocacy, civil demonstration, and the long-held belief that workers deserve a "family wage" – fair pay for an honest day's work.

A family wage, and the benefits that go with it, not only strengthens families, but also allows our communities to become stronger, more cohesive, and more responsive to their citizens' needs.

Our family wage agenda reflects our commitment to working people everywhere. In this small way, we are doing our part to make Dr. King's dream a reality.
