

scene and arrests followed, which result-

scene and arrests followed, which result-ed in a company of naval reserves being rashed to the spot. Over 166 shorts were fired, and after quiet had been destored it was found that Clifford Hanky, a naval reserve member, had been killed. The trouble is said to have resulted from a gang of men trying to cut the levee to let the water out of the Bratton stock farm. John S. Bratton was taken into custody and hurried away, as threats were made to lynch him. He is a waathy man and well known throughout the coun-try as a turfman and breeder of fine horges. It is not known that the levee-cut-ting was upon his orders. ting was upon his orders.

#### ST. LOUIS STILL FLOODED.

#### Back Water Continues Stationary, but the River Is Failing.

ST. LOUIS, June 13 .- With 10,000 refugees to feed and shelter, East St. Louis is still to seen and and the flood. The city is entirely surrounded by water, and two-thirds of its territory is under whiter. The river stage continues to fail, but the back-water which inundates East St. Louis re-

water which inducates case of bonds to mains stationary, and it will probably be weeks before it is gone. Diligent search has failed to reveal any bodies from the flooded houses, and it is now believed that all the inhabitants of the South Side have escaped. Business has not been resumed to any great extent, and the soldiers are still aiding the local police in preserving order.

The dikes are constantly patrolled, and when a weakened place is found it is speedily remedied by volunteers. The paid laborers have received their wages and have been dismissed. The total financial loss in East St. Louis is estimated at \$30,-

All trains on the Missouri Pacific, Iron Mountain, Missouri, Kansas & Texas and St. Louis & San Francisco Bailroad are leaving the Union Station on schedule time and are arriving with almost equal promptness. With the exception of the Burlington, the Wabash and the Chicago & Alton train service to the West and Southwest from St. Louis is up to the usual standard.

Traffic to and from Eastern points is in worse shape at present than it has been since the flood began. The stoppage of the East St. Louis-Belleville electric line on East St. Louis-Scheville electric line on account of the high water prevents the transfer of passengers to Edwardsville. Belleville and Collinsville, where the Clover Leaf, the Southern, the Louisville & Nashville and the Vandalia established terminals. At noon today it was almost immossible to get a train over any of the impossible to get a train over any of the

The Wabash is still running by a roundabout way trains to Chicago and the East. The Illinois Central, which received pas-

tions in the Washington Postoffice with-out examination, by the devious methods of appointment in small, unclassified of-fices, or in offices about to be consoli-dated, and subsequent transfer, and the appointments of those laborers who were appointed and separated during the ad-ministration of the present Postmaster, show a wide divergence in policy from a strict regard for the public interest, and afford indications that the Department used the Washington Postoffice for polit-ical and personal surposes to an extent which left the authority of the Postmas-ter in transfers and appointments of this ter in transfers and appointments of this sort but little more than nominal, and placed the office in many respects in the relation of a bureau to the Department.

High Officials Directed Frands. "The investigation seems to show clear. ly that most of the irregularities herein set forth were directed by the Depart-ment, or requested or suggested by high Departmental officials, and in either case came to the Postmaster with all the force of a direction. With the exception of the appointment of eight laborers, afterward separated, three clerks appointed to of-fices about to be classified and one em-ploys appointed in the Good Hope (Dis-

RUSSIA'S HOPE IS FOR PEACE. Government Issues a Note Setting

## Forth Its Position.

Forth Its Pesition. ST. PETERSBURG, June 11.-In offi-cial circles here it is said that none of the powers is inclined to raise difficulties in recognizing the sovernign the Servian parliament elects. An official note giving the views of the government follows: "The track events at Beigrade have oc-rasioned profound emotion in Russis, where there is the Reenest interest in everything affecting the destinies of the spen shed can only awaken in Russis a feeling of compassion, which in the pres-ent fination of a violent death and that the Obrenovich dynasty, so closely bound up in the history of Servia, is now extinct. The most fervent desline feeralls in Russis that Servia, after this feerfully the course of her National if in the direction which the participant of the people and a proper conception of their supreme interests will indicate."

# ASSASSINS MUST BE PUNISHED.

#### Powers Will Make This Demand of the New King of Servia.

the New King of Servia. LONDON, June 13.—A special dispatch from Rome says a semi-official note pub-lished there declares that wheever is made King of Servia, the powers will exact the punishment of the murderers of King Alexander and Queen Drags, as civilized countries cannot tolerate that administra-tive and military positions in any coun-try should be occupied by assassing. A special dispatch from Belerade says

A special dispatch from Beigrade says the draft of a bill, with marginal notes, written by the late King Alexander, has been found in the palays. It provided for the proclamation of Queen Draga's brother as helr to the throne. This, the dispatch adds, is held by the conspirators to be complete justification for their ac-"If the first-mortgage bondholders sym-pathize with the complainants in this suit I shall withdraw from the reorganization and seek the recovery of the Bethlehem Steel Company stock."

# Autopsy on Bodies of the Rulers,

Autopsy on Bodies of the Rulers. ViENNA, June 12.—The report of the au-topsy upon the body of King Alexander says, according to advices to the Interna-tional Correspondenz, that the King's brain was abnormal, the membranes thickened and unevenly developed, as in a certain type of idiots. The backbone was not straight, and showed a knotty formation in three places. The report of the autopsy on the body of the Queen says scars resulting from an operation for nephritis were found.

Not Yet Ready for a Republic. BELGRADE, June 12.-The Norodni Listi concludes an editorial article regard-ing the suggested establishment of a Ser-vian republic thus:

"Servia is not yet ready for such an ad-vanced government. The army, which is really the controlling factor in the situa-tion, would not agree to its establishment. Servia has had only two ruling dynasties, and since the Obrenovichs have been ex-

terminated there is no choice except the Karageorgeviches."

END OF MERGER IN SIGHT Railroads Now Propose to Dissolve

NEW YORK, June 13.-It is stated by the New York American that the North-ern Securities Company will be voluntarily dissolved, and that the stocks of the Northern Pacific and Great Northern Rail. urers at the Broadway viaduct, East St. Louis, Friday, has removed its sta-tion to the foot of Trendley avenue. The Mobile & Ohio, the Chicago, Peoria & St. Louis and the St. Louis Valley are

not running at all. The Big Four, the Burlington and the Chicago & Alton still have excellent steamboat service between here and Alton, their terminals.

#### BAILEY REPLIES TO WARE.

#### Asks People to Ignore Statement That Kansas Needs No Aid.

TOPEKA, Kan., June 11.-Governor Balley tonight gave the Associated Press the following reply to Pension Commis-sioner Ware regarding the needs of Kansas flood sufferers:

"I regret more than I can tell that the word has gone forth that we need no more aid from outside the state for our people who have suffered from the recent floods, and especially that this had been proclaimed by one claiming to be a repre-sentative of Kansaa. "Within the past week I have visited the

stricken district, including Kansas City, Argentine, North Topeka and the fertile valley between Topeka and Kansas City, and from what I saw and beard the calamity that has befallen our state is more appalling than was feared before the waters receded and while the loss of life was less, yet the property loss and sufficient is more than the property loss and suffering is many times greater than was entailed by the Galveston disaster

"Today Kansas finds more than 20,000 of her people practically homeless from no fault of their own, and one of her fertile valleys, representing an area 200 miles long and five miles wide, that but a few days ago was covered by happy homes and filled with promise, is now a

"in view of these facts, I wish to say to the charitably inclined terms, i wish to say to the charitably inclined everywhere, 'your contributions will be welcome; they are needed to relieve the necessities of the hour, and every dollar will be used to re-lieve the suffering of those who are de-serving and needy."

#### FLEE FROM RISING WATERS.

#### Rio Grande Is Fast Inundating Sev. eral Mexican Towns.

EL PASO, Tex., June 11.-The Rio Grande at Earlham, N. M., is very threat-ening this evening. The rise is more than a foot and a half for the past 11 hours, and an additional rise of 15 inches is ex-pected tomorrow morning. The river is more than two miles wide, extending from Earlham to Beering, America town Barham to Beerino, a Mexican town. Beerino is flooded, the inhabitants aban-doning their homes and farms, and ranches are submerged for miles along the valley in New Mexico. and

At Earlham the people ars leaving for the highlands. The damage to farms will aggregate many thousands of dollars. At San Marcial the river is a foot higher than during the hig flood of 1957. At E2 Paso all last hight, upon instructions of Chief Wooton, mounted police officers pa-trolled the levee and watched at the flood-gates. The two-foot rise from the north is not expected here until tomorrow morning.

#### New Jersey Rivers Still Rising.

PORT JERVIS, N. Y., June 12-Both the inware and Navesink Rivers are still rising from the recent heavy rains. Seri-ous damage is feared from the Delaware. Many small bridges have been washed away slong the mountain streams.

trict of Columbia) Postoffice before its consolidation, it appears that Postmaster Merritt did not initiate any of these improper appointments or assignments, and his responsibility for them seems to be secondary and dependent upon the extent to which a subordinate is justified in pro-testing ngainst the orders or suggestions of his official superiors. of his official superiors.

The investigation indicates that the employes who entered the service by transfer and without examination are in hope, put the employment of laborers the basis of fitness and the needs of service." transfer and without examination are in general inferior to those appointed through competition. The investigation by the Commission shows that many of the persons who entered the service by transfer had failed upon competitive ex-amination, from states which were in ex-cess of the appointment or had not passed with sufficiently high grades to be recommended for appointment by the reg-ular methods.

one of your examiners detailed to make an investigation of the Washington City postoffice, with a view of ascertain-ing whether or not the civil service law "It is the observation of the Commisand regulations have been and are bei sion that where a service or any office compled with in the administration of the commence to increase the number of em-

tendency to increase the number of em-ployes beyond the number notually re-quired for the transaction of business. "Among the employee in the Depart-ment or in the Postoffice service who wave brought into the classified service within the last few years by classified ion, having been appointed without ex-amination under the rules, were 30 war emergency employes, classified by the act of April 25, 180; 12 made permanent under paragraph 17, of rule VIII, and 53 classi-fied in the rural free delivery service on November 37, 180; The total number of employees in these three classes who en-tered the service upon considerations other than filmess, as ascertained by com-petitive examination, were 380. Payne Discusses the Report. Mr. Proctor was in conference with Postmaster-General Payne for an hour today regarding the report. Later Mr. Proctor in a verbal statement to news-paper men said that in all his experience with the postoffice he had had less trouble since Mr. Payne's incumbency then at any other time. The Postmaster-General gave out the following statement regard-

gave out the following statement regard-ing the matter: "Attention is called to the fact that since my incumbency of the position of Postmaster-General the Civil Service Commission reports that there have been but ten persons transferred to the Wash-ington postoffice by appointment from smaller offices, and that these ten per-sons were appointed to their espective places six months or more prior to their transfer, which is in compliance with the law, rules and regulations of the civil service as they now exist. "It will be noted that the commission

#### Service Packed With Favorites.

"Nearly all of the clerks and messen gers in the rural free delivery service

gers in the rural free delivery service who were converted into the classified service were in positions in Washington, D. C. One hundred and thirty-three of them were appointed in the four months im-mediately preceding the classification, and 56 were appointed in the 26 days preced-ing classification. How many of these were appointed for reasons other than the needs of the service, it is, of course, impossible for the Commission to deter-mine; but that the service was packed with employees in the interest of the indi-vidual is indicated by the fact that the number of appointments in the month of vidual is indicated by the fact that the number of appointments in the month of the classification was more than twice as great as for the preceding four months. This assumption is strongly supported by the fact that during the entire 18 months that this service has been classified there have been 17 persons selected for ap-pointments to positions within the Dis-trict of Columbia, as against 56 clerks and messengers appointed during the 36 days

trict of Columbia, as against se cierks and messengers appointed during the M days preceding the classification. "There was no necessity of anticipating the needs of the service by an excessive number of appointments just before classification, for the Commission had registers of eligibles at that time which ing the promotion of certain employes in the office which have been directed by the department occurred previous to January 1, 1902. No such directions for promotion as are referred to have been authorized by me since I have been Postmuster-Gen-eral."

registers of eligibles at that time which were ample and also appropriate, as is shown by the fact that all but four of the Z appointments which have been made to the rural free delivery service in the District of Columbia and outside since November Z. 1981, were from reg-isters then in existence. Merit Gives Way to Politics. "The appointments made under the chr-cumstances above set forth resulted in a

vich King of Servis. allocations of December at 196, of the rule referring to transfers, and new pro-visions of the revised rules, which be-came effective on April 15, 1960, will, it is believed, prevent the continuance of these abuses in the classified service, and

Prince Peter is expected to arrive in Wednesday morning. #### ALL QUIET AT BELGRADE.

#### Meetings of Any Kind Are Prohibited Until After the Election.

BELGRADE, June 13-At midnight ist night tranquility prevailed here. The

Instructure, some is.-At midnight inst night tranquility prevailed here. The streets had practically been deserted since 9 P. M., with the exception of small military patrols which paraded the thoroughfares. The palace was guarded by a cordon of infantry, and all the ministerial residences in the vicinity of the palace were closely guarded by detachments of troops.
A general feeling of cheerfulness per-vades the city, and, according to reports, the coantry also.
Ex-Minister Tudorovics has succumbed to his wounds. Minister of Commerce Genshics, in 'an interview, said he con-sidered that if there was any republican tendency in the Cabinet it was insurgent. The election of a ruler, he thought, could not occur before Tuesday, but it is almost certain Prince Peter Karageorgevich will be elected. Frince Mirko, of Montenegro, has no chance whatever.

certain Prince Peter Karageorgevich will be elected. Prince Mirko, of Montenegro, has no chance whatever. M. Genahles was reticent as to the event at the palace early on Thursday morning. The Minister added that since his acces-sion the late King Alexander committed constant errors, and lost his hold on the public by his marriage with Queen Drags and the comedy played in connection with the preparations for the birth of an al-leged heir. The coup d'etat was fixed for June II, because on that day Queen Drags wished to proclaim her brother Nikodem heir to the throne. M. Genahles con-cluded as informing Prince Peter as an honorable man and an earnest well-wisher of Servia. Cavalry and infantry continue to patrol the streets during the day. The people remain caim. Notices have been placard-ed on the walls of Belgrade enjoining the people to observe the laws, and remind-ing them that meetings of any kind on the day preceding the assession are strictly prohibited. The War Minister has issued a decree dismission several military commanders and appointing suc-cessors to their posts.

# ARMY NOT MARCHING TO CAPITAL.

Proops Loyal to the Dead King Will

Make No Trouble. PARIS, June 12.-The Foreign Office here today received dispatches from the French Minister at Beigrade, saying there is no truth in the reports that a portion of the Servian army is marching to attack Belgrade

Belgrade. At the council of Ministers today, For-dyn Minister Deicasse communicated to his colleagues telegrams from Belgrade say-ing that the provisional government bad communicated to the Servian Ministers abroad a formal notification of the new regime's assumption of power, and that Servian authorfties were determined to give the Skuptschina complete liberty of action in the choice of a King. The Servian Legation here has received a number of dispatches from Belgrade

is declared by the American to have been learned on the highest authority, but officials of the company refuse either to at-firm or deny the statement. It is said, however, that the appeal now pending in the United States Supreme Court will be carried to its conclusion so as to establish the legal status of such co nies by the court of last resort.

(The Northern Securities Company was incorporated in 1901 with a capital of \$400,-000,000. Its formation was the outcome of a struggle for control of the Northern Pacific, which precipitated the stock mar-ket panic of May 9, 1901.)

Five Are Burned to Death in Fire

NEW YORK, June 12.-Five persons were burned to death early today in a flat building at 347 East 115th street. It is believed the fire was of incendiary

rigin. The dead: THERESA DECICEO, aged 4. CAMILLO DECICEO, 3 years old. ALFREDO DECICEO, 4 months, FRANCISCA STAMANO. 8 years.

GUIESEPPI CIPRAINO, S years. It is declared by the police that the hallways of the building had been cov-ered with oil, and that bundles of rage saturated with the same fluid also were found scattered about the place.

Colorado River on a Rampage

Colorado River on a Rampage. MONTROSH Colo., June 12.-The Un-compahyre River is the highest it has been in years. Noar Uncompahyre a cloudburst occurred which washed out the high line ditch and Rooded the Siga-fus ranch. A cloudburst occurred on the furmaron side of the divide and Squaw Creek is on a rampage. For several hours the water ran three feet deep over the bridges. It has rained every day for a week and the storm is not yet over.

New King Writes Buler of Italy. New King Writes Baler of Italy. ROME, June 12.-Prince Karageorge-vich has written an autograph letter to King Victor Emmanuel. Its contents are not generally known, but it is supposed that Prince Peter refers to ascension to the throne and asks what attitude Italy will take. The Foreign Office here denies that an agreement has been reached among the powers concerning Servia.

More Bodles Found at Topeka. TOPERA, Kan., June II.-The bodies of two more children were discovered today in the wreckage of the Schunkweller home in North Topeka. The house, which was wrecked by the flood, will have to be blown up to recover the bodies. This makes a total of seven lives lost in this house.

GLOUCESTER, Mass., June II.-Ludwig Eisenbaum, who left Boston three weeks ago in a small open dory to cross the Atlantic, has returned and given up the trip. He went 350 miles to the eastward, making the Gulf stream.

#### New Oregon Postmasters

OREGONIAN NEWS BUREAU, Wash-Ington, June IL-Oregon postmasters were appointed today as follows: Lehman, Charles R. Dutton, vice John

W. Endicott, resigned: Wapinitit, E. A. Hariman, vice Hiram T. Corum, removed.

President Gives Colombia to Under

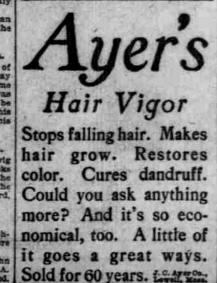

stand That Dailying Must Cense. WASHINGTON, June 13 .- The President WASHINGTON, June IL.-The President today sent for William Nelson Cromwell, attorney for the Panama Canal Company, to confer with him on the canal situa-tion. Mr. Cromwell spent half an hour with the President in the forenoon, and the conference was resumed by appoint-ment at 3 P. M. It is understood that the President is much concerned over the canal outlook

much concerned over the canal outlook. The Administration is not in the least dis-posed to be impatient with Colombia, and willing to allow the Bogota government a reasonable time to execute its obliga-tions to the United States. At the same time, the Washington authorities regard these obligations as more binding than these of an ordinary treaty, and cannot the admit the right of the Colombian gov-ernment to recede from them. If not car-ried out by ratification of the canal treaty, which comes before the Colombian treaty, which comes before the Colombian Congress at its meeting this month, the United States hopes Colombia will find some other means of executing its obliga-tions to this country as regards the Pan-ama Canal. Mr. Cromwell declined to see callers after his conference with the President.

HAD TOO FAR TO RUN.

two Boys Arrested on Suspicion of Arson in Albina,

Arson in Albins. Because a North Portland boy had shavings on his back and said that he had just arrived at a fire at Desn and Derby streets, Ablina, Andy Latschelk and Earl Dean were arrested last night on a sus-picion of arson. The story which they told of having run from home to the fire did not satisfy Officers Barter and Gabriel, who made the arrest, for Albina is too far from North Portland. The fire which the two boys are sus-pected of having kindled with the shav-ings which were upon the back of one of them, destroyed an unfinished house be-longing to H. Ritter. The building was practically completed, but the windows
