CRUISERS TO LEAVE

Chicago, Boston and Perry Go Down Today.

GOVERNOR VISITS ADMIRAL

Largest Squadron Ever in the Harbor Leaves for Puget Sound After a Visit of Ten Days' Duration.

By 9 o'clock this morning the cruiser Chicago, with Rear-Admiral Goodrich et board; the cruiser Boston and the torpedo boat destroyer Perry will leave down the

river, bound for Puget Sound. Thus passes the most formidable armada Portland over saw in her harbor. Perhaps one of the cruisers will return later in the season, but this is not assured. Since the cruisers came in ten days ago, several thousand people have visited them. The last distinguished visiter was Governor Chamberlain, who boarded the flagship yesterday morning. The Governor's sa-lute of 17 guns woke up the echoes in his

Tamar's Sailors Say They Suppressed Drunken Captain.

SEATTLE, June 24-Sallors on the British ship Tumar, of London, which arrived in Seattle on June 19, 140 days from Plymouth, England, state that or June 15, when the vessel was 28 days out from Hamburg, the port from which she cleared on December 20 for Seattle, the captain, who was on the verge of defirium tremens from drinking, attempted to run the ship ashore and, when the mate and enliers remonstrated, he threatened to sheot any who interfered with the course of the vessel, which was

headed directly for the rocks on the coast of France, off Ushant. First Mate Madeen grappied with the captain for possession of the weapon. The captain for possession of the weapon, The crew selzed the captain and placed him in irons. Mate Modeon selled the vessel to Plymouth, where Captain Griffith was tried for attempted murder and sentenced to three years' penal servitude. Madsen left the ship at Plymouth and was replaced by Mate John Flax.

The captain was replaced by J. C. Hughes, who is now in command. The

Schooners Ponape and Diana Lost Among Caroline Islands.

SAN FRANCISCO, June 24.-(Special.)-News of the loss of the German trading schoeners Ponape and Diana was received by the steamer Mariposa, yesterday, Both schooners, which had gasoline engines, were trading between the Caroline and Marshall Islands, and both were wrecked during a terrific hurricane that swept over those islands on April 29. The news was carried to Tahiti by another trading vesuel. No details regarding loss of life were, however, received by the Mari-

Both the Ponape and Diana were staunch and new, and both were built here, the Ponape having been launched only last March from the yard of Boole & Son. She was 194 feet long, 28 feet in breadth and 10 feet deep, and had gasoline engines of 130 horsepower. The Diana,

Passenger on Fur Steamer Denies Rumor of Massacre.

VICTORIA, B. C., June 34.-The steamer Montara arrived at Comes today from Petropaviovsky, on Kamchatka, with furs, mostly subles, to the value of nearly a million dollars, consigned to the Kam-chatkan Commercial & Industrial Com-pany of San Francisco.

The schooper Boreslis is now Il days out from San Pedro for the Columbia, it is probable that she met a similar experi-sees to the Redfield in encountering head

winds. A sharp lookout for her is being maintained at the mouth of the river.

Too Rough for Cable Work.

SEATTLE, June 24.-On account of heavy fogs and storms the United States cableship Burnside has been unable to repair two small imperfections in the Government cable near Sitka. The ven-sel arrived here today after an absence of nearly three weeks, during which time of nearly three weeks, during which time she experienced the roughest weather, from the standpoint of cable engineer-ing, in the memory of her officers. The weather was so intensely forgy that the ship could scarcely get her bearings suf-ficiently to locate the submarine wire, and when the clouds of fog cleared away the sea was running so high that the cable could not be grappled.

Notice to Mariners.

Notice is hereby given that West end Shag Point buoy, a third-class spar, mark-ing channel to Duttons P. O., Suisun Bay, Ing channel to Duttons P. O., Sussin Bay, California, heretofore reported dragged out of position and not visible at high water, was permanently discontinued June 18, it being no longer of use as an aid to navigation. By order of the Lighthouse Board. H. T. MAYO, Commander, U. S. N., Inspector Tweifth Lighthouse District.

Launches Are Now Idle.

Scarcely a launch owner was yesterday expecting to run to the Ouks today. Manager Hurfburt, of the Oregon Water Power & Railway Company, has not yet acceded to the launch men's terms that he take 15 per cent of the fares for the privilege of landing at the resort.
