Alleged Revolutionists Play Leading Part in Reign of Bloodshed Across the Border.

B. Cawthon, a leading sheepman in that section, who was found dead in his buggy today, with a bullet through his heart. Intense feeling has existed along the border since the arrest of alleged revolutionists began and many murders and other deeds of violence are attributed to this. Great excitement is being caused by the Rio Grande and the border up and down the river is being patrolled by rangers, civil officers and customs guards, on the American side and by large forces of regular troops and rurales on the Mexican side.

STOMACH SUFFERERS Squander Millions

In Search of Relief. The world is full of disordered stomachs and 90 per cent of the money spent upon physicians and drugs goes in an attempt to cure the stomach.

People are made to believe that in order to gain health they must doctor their stomachs and use cathartics. So the doctor gets his fee for the stomach treatment and the druggist for the physic, until the savings of a life time are exhausted and yet no cure.

Let's be reasonable. The sick stomach is in every case the result of over-eating, hurried mastication and improper choice of foods. The mucous lining at the way down the food tract loses its sensitiveness and when food is forced down the muscles fail to respond. They do not churn the food as they should. The glands no longer give out gastric juice to dissolve the food and render it capable of assimilation. The man has become a dyspeptic.

There is one sure way and only one to bring positive relief. Put into that stomach of yours the very elements that it lacks to get that food into liquid form. It takes pepsin, diastase, golden seal and other ferments to accomplish this. The healthy stomach contains these elements. The dyspeptic stomach lacks part or all of them. Stuart's Dyspepsia Tablet is made up of just what the dyspeptic stomach lacks—nature's digestives.

Stuart's Dyspepsia Tablets are not a medicine, not a drug, not a cathartic. They do not cure anybody of anything but Dyspepsia and indigestion and such ailments as arise from poorly digested food.

While they digest the food the stomach recuperates. The mucous membrane is coming out of its stupor, the gastric juice is coming to the surface, the muscles are regaining their power. Every organ of the body takes on new life, the skin gains color, and the eyes are no longer tinged with yellow. You live.

Why doctor and why drug yourself? Stuart's Dyspepsia Tablets will take care of your food while Nature cures you.

Try a box at your druggists, 50 cents. Or, if you prefer a free trial, write before buying, send your name and address today. F. A. Stuart Co., 58 Stuart Bldg., Marshall, Mich.

The only way to get rid of pimples and other eruptions is to cleanse the blood, improve the digestion, stimulate the kidneys, liver and skin. The medicine to take is Hood's Sarsaparilla Which has cured thousands.

New Cabinet Will Be Short-Lived. MADRID, Dec. 1.—The Liberal press is almost unanimous in expressing lack of confidence in the new Moret

Prerogative ministry. The prevailing impression is that the Moret ministry will not long survive, and simply will pave the way for the restoration to power of the conservatives under Senor Moret.
