WILL ASK FOR MORE PAY.—Locomotive
Engineers of the O. R. & N. are taking
preliminary steps to request of the com-
pany a readjustment of the wage sched-
ule and the rules of the service. A com-
mittee is now holding a meeting in Port-
land and while no details have been given
out it is thought that an increase of
wages will be requested. The committee
is composed of G. O. Barnhart, of Spo-
kane; H. O. Bingham, of Spokane; L. E.
Ferguson, of La Grande; A. B. Curtis,
of Portland. A meeting was held at the
Oregon Hotel yesterday. Superintendent
Buckley, of the O. R. & N., is out of
the city, but is expected to return early
this week, when the committee will con-
fer with him.

OLD RESIDENT NEAR DEATH.—While being
taken to the Poor Farm yesterday
afternoon John McKibben fell from his
seat in the big "carry-all" just as the
wagon was passing the Courthouse. He
was stricken with a hemorrhage and had
to be taken to the County Hospital in
an ambulance. He is suffering from
tuberculosis. McKibben was staying at
the New House Hotel, corner of Second
and Burnside streets. Yesterday morn-
ing word was sent to the County Board
of Relief regarding McKibben's condition
and he was ordered out to the hospital.
He is 62 years old, a native of Boston
and has lived in this city 20 years. It is
thought that he will not live long.

for the speedy adjustment and payment
of my fire insurance policy for \$1000
on my residence on Big Elk River, Lincoln
County, Or., which was destroyed by fire
November 24, 1906. Only 10 days elapsed
when the policy was paid in full. Sin-
cerely yours, FRANK J. PARKER.

HAZELWOOD COMPANY'S OPENING.—The
doors of the Hazelwood Cream Com-
pany's new refreshment parlors in the
Selling-Hirsch building were thrown open
last night for the first time and hun-
dreds availed themselves of the hospi-
tality of the firm. The establishment is
large and roomy and is finished in rustic
fashion with numerous booths leading
off from the main parlor. The entire
interior was decorated in Oregon wild
grape and brilliantly lighted. It is per-
haps the most artistic refreshment par-
lor in the city.

OAK STREET SEWER BROKEN.—The
sewer on East Oak street, between Union
and Grand avenues, was caved in for a
distance of over 100 feet yesterday by
the dumping of dirt from the gravel
cars. The weight of the material carried
down the trestle and sewer. This sewer
serves a large district and it is quite a
problem how to repair the broken sec-
tion. It is hardly probable that it can
be permanently repaired while the fill is
in progress.

SENTENCED TO ROCKPILE.—In the Mu-
nicipal Court yesterday Chris Mack was
sentenced to the rockpile for 90 days
and in addition was fined \$300 by Judge
Cameron on a charge of attempting to
force Miss Elizabeth Thomas, of Roslyn,
Wash., in a disorderly house. The girl
will be taken home by her father.

USE NEW ORGAN
FIRST TIME
The new bishop of the Protestant
Episcopal Church of Oregon, Rev.
Charles Scadding, as is already known,
has officially designated St. Stephen's
Church, corner Third and Clay, as
the pro-cathedral, renaming the church
St. Stephen's, the Martyr, and appoint-
ing the rector, Rev. H. M. Ramsey, as
vicar.

In this connection improvements
throughout the entire building are con-
templated and taking place. One of the
first to be considered was better and
more adequate means of rendering the
beautiful music in connection with the
Episcopal service. Already having a
very efficient choir the lack of a pipe
organ was keenly felt, and it was de-
termined to obtain one at once. Upon
due investigation the best of the kind
consideration of the merits of various
makes, Rev. Ramsey and his associates
reached the same conclusion as has been
reached so many times in this
city already, and contracted with Eilers
Piano House to furnish a fine and
valuable Kimball Duplex Tubular Pneu-
matic Pipe Organ. The organ has just
been installed by the above house and
will be used in today's service for the
first time.

In this connection it is a notable fact
that this is the ninth Kimball Pipe
Organ to be contracted for by Eilers
Piano House in the city of Portland
alone, and the seventeenth in the state
of Oregon.

Most equal number of the same
make has been sold in the states of
California and Washington, among the
recent ones being a large three manual
divided organ for the First Presby-
terian Church of Berkeley, and a large
two manual extended Rayden and
Console for the new First M. E. Church,
Spokane, Wash.
