UNIVERSITY PARK IMPROVEMENTS.—The
track of the electric railway on Dawson
street is being lowered between Uni-
versity Park and McKenna avenue, where
the street is being improved. The work
causes inconvenience to the public, as
transfers from one car to another are
frequent, but the work will soon be com-
pleted. At the intersection of Dawson
and Flak streets conditions are bad be-
yond description. The intersection is now
impassable. H. G. Sibray, a well-known
resident, blames property-owners and
said yesterday that he hoped Flak street
would be so bad that it would have to
be closed up. "We have a few property-
owners here at University Park," declared
Mr. Sibray, "who try to get the streets
in good condition, but there is a larger
number who refuse to do anything and
try to prevent others more enterprising
from making improvements. I don't care
how bad conditions on the streets become,
I hope they will get so bad that the prop-
erty-owners will be forced to improve."

WOODSTOCK CLUB TO ENTERTAIN.—Next
Friday night, the Woodstock Push Club
will give an entertainment for the resi-
dents of the suburbs. The programme
of music and speeches will be provided
by the local talent, and the affair will
be a general holiday rally.
ANNOUNCEMENT.—The Belvidere Hotel
and Louvre Cafe has sold its lease to
Theo. Kruse Catering Co. All bills due
Strobel & Barensteecher please pay at hotel
office, and oblige. Strobel & Barensteecher.
PRACTICABILITY OF SOCIALISM.—Dr. P.
L. McKenzie will lecture tonight on the
"Practicability of Socialism" at Alisky
hall, Third and Morrison streets. A gen-
eral discussion will be held after the
lecture. The public is invited.

friends can enjoy. No home, no mat-
ter how elegantly furnished, is com-
plete without one. We can arrange
terms of payment to suit your conve-
nience, have the finest assortment of

vince you, and sell at absolutely the
lowest prices, as a comparison of our

We carry all styles of pianos, uprights
and grands, and the Melville Clark
Interior Player, the king of all player
pianos, the only player piano made
playing 32 notes for the entire key-
board. We also have several bargains
in good used pianos, at prices from
\$50 to \$150, which are sure to please
you if you are looking for a snap.
