Lipman-Wolfe's Great October Sales

Lipman-Wolfe's Exclusive Women's Apparel for Horse Show

In connection with the Horse Show Exhibition Lipman, Wolfe & Co. announce their agency for the superb gowns of PELLARD, of New York and Paris. We also exhibit the Millinery of the leading shops of the Rue de la Paix, such as Georgette, Mme. Lewis, Esther Mayer, Suzanne Blum, and others, as well as the Hats of Robinson & Wells of London. Many other exclusive features of Lipman-Wolfe's superb style showing will appeal to lovers of the beautiful in dress. The ideas of the Directoire-Empire period dominate these exclusive novelties—the broad revers, the high ruffs, the long lines of that period of long ago. We have absolutely exclusive models, only one of a kind, in Gowns, Cloaks, Waists, Parisian Jewelry, Millinery, Neckwear, and accessories. "Smart Set," "W. B.," "La Vida," "Nemo" and "C. B. a la Spirite" Corsets, sold exclusively by Lipman, Wolfe & Co., insure perfect fitting of the gown. For all women's apparel, Lipman-Wolfe's, as usual, appeals to women who desire good merchandise of simple elegance

Annual Sale of Ostrich Plumes

The Lipman-Wolfe leadership in the assortment, stock and selling power of Ostrich Plumes has always been known to Portland women. Our season sales of rich Ostrich Feather Plumes are patronized by hundreds of women who await eagerly the opportunity to buy these elegant feathers at prices never attempted or offered except at these sales.

In studying the beautiful hats from Paris ateliers, one is impressed with the great popularity of Ostrich Plumes this season. Ostrich Plumes in great feathery masses curl around the big hats, nod over the crowns of Directoire bonnets and drop over the brim of dashing turbans.

We can say with assurance that this is the greatest offering ever made of fine Ostrich Plumes. It is a sale at less than any small store can buy them or any wholesale house can sell them. In order to properly display these feathers we make an extra showing in our Drapery Dept., in addition to an immense display in our Millinery Trimming Dept.
