Announcem'nts War Book Russia-Japan

A book that treats of an intensely interesting piece of world history in such a manner that it is a pleasure to read it. It details the struggles on land and sea for empire in the Far East. Graphic descriptions of martial events from the opening of hostilities at Port Arthur to the signing of the treaty of peace at Portsmouth.

This Book formerly sold by subscription at \$10.00—We have secured 1000 copies and while they last we shall sell them at the phenomenally low price for this sale of, EACH —Buy now \$4.98

Illuminated with more than 500 illustrations. A comprehensive and authentic account of the greatest war of modern times. The foremost illustrators and writers of the world have contributed their best work in this book. A superb volume which should grace your library.
