

# CYCLISTS TO RACE

### Motorcycle Club Will Give Fast Programme.

## EXPERT RIDERS TO MEET

Twelve Contests Will Be Held at Country Club Track Today and Races Will Be From Five to Twenty-Five Miles Long.

Speed of more than a mile a minute this afternoon probably will be reached in the race meet of the Portland Motorcycle Club on the Country Club track, Rose City Park. This will be the final sporting attraction of a busy Rose Festival week.

The track is in fine condition for speed, several special racing cycles are here, and everything points to a successful afternoon's speed carnival. The races will be held under the rules of the Federation of American Motorcyclists, and all the riders are members of the Portland Motorcycle Club.

### Daring Riders to Compete.

Twelve races will be held, varying in length from 5 to 25 miles. Some of the Portland riders are among the most daring on the Pacific Coast. Verne Maskell, who astonished Portland folk by his work last year, has entered his seven-horsepower speeder in the races. One professional rider, H. L. Graves, will ride an exhibition race of eight miles as the first number on the programme. Graves has a specially built special cycle of seven-horsepower, capable, it is said, of bettering 75 miles an hour. Graves has done better than a mile a minute on circular tracks. He has promised to give professional speed lovers the thrill of their lives. Later in the day Graves will ride a five-mile exhibition race against time, hoping to establish a new circular track record.

There are 15 riders entered in the meet, representing many different makes of motors. Three different class races will be held, namely, four, five and seven-horsepower.

In the final race, a 25-mile endurance contest, engines of 41 cubic inches will race from scratch; those of 35 will run 14 miles, of 31, 23 miles; of 27, 22 miles, and 21, 20 miles. Eleven riders have entered this contest. The meet will begin at 2 o'clock. Special car service will be provided.

### Officials Are Named.

Ralph H. Ruffner will be referee and starter. The timers are C. H. Mead, E. H. Stone and Jack King. Robert H. Johnson, P. L. Abbott and H. A. Jungwitz have been named judges. Following is the list of riders and races:

- Professor Graves, Merket, 7-horsepower, race No. 1, 5-10-12.
- W. P. Bush, Merket, 4-horsepower, race No. 2, 5-10-12.
- W. P. Bush, Merket, 4-horsepower, race No. 3, 5-10-12.
- W. P. Bush, Merket, 4-horsepower, race No. 4, 5-10-12.
- W. P. Bush, Merket, 4-horsepower, race No. 5, 5-10-12.
- W. P. Bush, Merket, 4-horsepower, race No. 6, 5-10-12.
- W. P. Bush, Merket, 4-horsepower, race No. 7, 5-10-12.
- W. P. Bush, Merket, 4-horsepower, race No. 8, 5-10-12.
- W. P. Bush, Merket, 4-horsepower, race No. 9, 5-10-12.
- W. P. Bush, Merket, 4-horsepower, race No. 10, 5-10-12.
- W. P. Bush, Merket, 4-horsepower, race No. 11, 5-10-12.
- W. P. Bush, Merket, 4-horsepower, race No. 12, 5-10-12.

The new Denver Motordrome has a race meet scheduled for June 10 and an endurance run for July 14. Both under A. M. sanction.

### Fit Spark Plug Snugly.

In fitting a spark plug on a cold cylinder be careful that you do not screw it too tight. The principal cause of the breakage of the porcelain insulator on spark plugs will then be in many cases overcome, said Charles P. Splittorf, of the famous laboratories of that name.

### Improper Use Hurts Brakes.

The owner of an automobile soon finds that nothing is more detrimental to a car than the improper and excessive use of the brakes. The driver should bear in mind that, no matter what system is adopted of checking speed—with the exception of the force of gravity or inertia—a strain is brought to bear on the transmission system and tires and that this strain becomes excessive and exceedingly detrimental if the car is checked or stopped with suddenness.

### Corvallis Mill Gets Truck.

A three-ton Kelly truck was purchased during the past week by the Corvallis Flouring Mills Company, of Corvallis, Or. The truck is to be used for hauling flour from their mill at Corvallis to their warehouse, which is two miles from there. August Fischer, the secretary of the Flouring Mills

# The Locomobile for 1912

# The "30" Four Cylinder \$3500.

OR 1912 The Locomobile will set a new standard of Luxury in motor cars.

Our success in the past resulted from our continued efforts to make the Locomobile the best built car in America.

Having attained this mechanical superiority, our present aim is to make the Locomobile the most luxurious American Car—Quiet, Comfortable, Perfect in detail.

The Six Cylinder Locomobile, by virtue of its excellent performances in 1911, has established a new standard in Six Cylinder construction. Realizing the demand on the part of the present day motorist for increased comfort in automobiling, we have made careful study and investigation for the purpose of making this Car the last word in Luxury.

The improvements that we have made in this direction produce Ease and Comfort hitherto unknown in motoring. As an instance, the rear seat cushions and high backs in our Six Cylinder Touring Car are each provided with upholstery ten inches deep—as soft and restful as the easiest library chair. Passengers are seated low in the car, which produces a feeling of security.

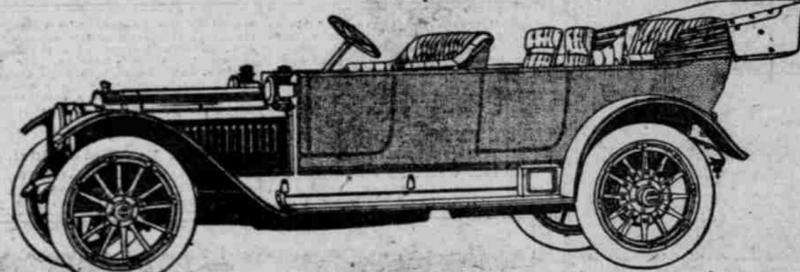

Our Five Passenger Six Cylinder Torpedo is the most perfect combination of Luxury and Style yet offered in this popular type of body. Three passengers are carried on the rear seat, which has upholstery ten inches thick, cushion and back. We also make a Four Passenger Torpedo upholstered in the same luxurious manner. The combination of advantages offered only in the Locomobile Shaft Drive Six makes it—

A Perfect Machine—a Perfect Vehicle.

The Six Cylinder Type in its highest development.

The "30" Locomobile, Four Cylinders. This reliable and convenient five passenger shaft drive car will be marketed for 1912 without change, excepting increased attention to details of finish and equipment. Price \$3500.

All 1912 Locomobile Models are equipped with High Tension Ignition, Demountable Rims, and Top. The customer is given his choice of color. More complete information on application.

The "48" Six Cylinder Touring Car, \$4800. Interchangeable Tires.

## Auto Is Unpopular.

Automobilists are not at all popular in the Prince Edward Island, just north of Nova Scotia, for at its 1911 session the Parliament of the island failed to repeal the law which provides that any person guilty of running a motor vehicle upon any highway or other public place shall, upon conviction, be fined \$500, and in default of payment, committed to jail for six months. This law defines a motor vehicle to mean all automobiles or any vehicle propelled by any power other than muscular power, except such vehicles as run on rails and steam rollers.

## Business College Has Pennant.

With but one more game to be played in the league, the Portland Business College team has a firm grip upon the pennant. No games were played last week. Holmes and Christian Brothers are tied for second place in the League standing. Club standings follow:

## Railway Official Is Rosarian.

Everyone on Railroad Row is congratulating Tom Wallace, traveling freight and passenger agent of the Rock Island, for his success in winning four of the big prizes at the Rose Show last week. Wallace is a rosarian of the first degree, and has over 2000 bushes on his quarter block residence property at Twenty-sixth and Northrup streets. In the competition for the best three whites, he took first prize—the M. L. Holbrook Cup. He also took first in the Marcell Niel class, and a prize in each of the yellow hybrid ten rose and the Richmond variety. He has a big crop of Richmonds, and every day brings a basket-
