SAULT STE MARIE. Mich., June 7.— Joseph Tovens, employed in lumber camps in this vicinity, today shot and killed two deputy sheriffs who had arrested him in connection with a stab-bing affray last night at Brimley, a vil-

re near here. The dead officers, James Sutton and Alfred Schribner, both lived in Brimley. Tovens had been handcuffed but slipped the manacles off when the deputies were not looking, and the shooting fol-lowed. He escaped.

Mr. Abbott recalled himself to the stand, fearing his attitude had not been made plain in his first testimony. "My opinion is this," he said, "if the

law should give \$800 a year to the man who said he couldn't live on \$600, that man's 'needs' would immediately jump to \$1000 or \$1100. That is a matter of everyday fact and knowledge."

Streetcar Men Save Money.

D. Leonard Busby, president of the Chicago City Railway Company, said 4000 employes of the company earned an average of \$71.50 a month and many of them saved money on it.

Medicine Effective

Rest, freah air and well-cocked, nourish-ing food do help many persons suffering with Lung Trouble. But in many cases with Lung Trouble. But in many cases the disease is only, temporarily "arrested," and something more is needed. Eckman's Alterative is a medicine for Thront and Lung Troubles and has brought about many complete recoveries—in many cases where the surroundings were not ideal. Judging by the many reports of recoveries received, we believe it should be used in every case of Lung Trouble. A remarkable case follows: Weddon III.
