

'WAS WRONG', SAYS EX-SENATOR TURNER

Spokane Politician Recants Famous Attack on Wilson and Bryan.

VOTERS WISER THAN HE

In Frank Confession of Faith, Prominent Democrat Greatly Regrets 'Intemperate' Remarks Following Baltimore Meeting.

SPOKANE, Wash., Nov. 1.—(Special.)—In a remarkable confession of faith, delivered to the weekly meeting of Democrats at the Inland Club this noon, Judge George Turner, recanted his famous attack on William Jennings Bryan, made after his return from the Baltimore convention last year, announced that the people who had nominated Woodrow Wilson against his opposition were wiser than himself and declared that he had been wrong in opposing woman suffrage.

Bryan's Magnanimity Praised. "When I came back from Baltimore last year I was guilty of intemperate remarks on Mr. Bryan. Fortunately Mr. Bryan has refused to quarrel with me over the incident, I so greatly regret, and I consider this another evidence of the generosity and magnanimity which he has shown in every respect that he has shown in every respect to come to a common ground of understanding with him.

Woman's Rights Admitted. "Now I am greatly pleased to see this attendance of women at Democratic meetings. I have in the past opposed woman's suffrage, but today I am convinced that the common sentiment of the people of this state is in favor of it is more than justified."

Much interest was aroused among Democrats by the speech. Several suggested that Senator Turner intended to be a candidate for the United States Senate next year, but his personal assurance was to the effect that he had no intention of running.

CHILD BURNED TO DEATH

Girl, With Matches, Loses Life and Two Men Drown.

CENTRALIA, Wash., Nov. 1.—(Special.)—Lula Brown, the 6-year-old child of Mrs. Jessal Brown, was burned to death at the family home, Thursday night, in Eastern Lewis County. Thursday night, the child was playing with matches in the yard during the absence of her mother, when she lit a match, which she held to her face, and it ignited. The girl, with every stitch of clothing burned from her body, staggered into the house and crawled into bed, where she was found by neighbors. It was at first reported that the girl was burned to death in bed, and as coroner Henry Glaska was called to this could be without the bed being burned, he took Sheriff Foster with him to the scene, the 90-mile trip being made by auto. He decided an inquest to be unnecessary.

Immediately on his return the coroner was called to Dryad, where Gottlieb Klatt and Julius Glaska were drowned yesterday afternoon in the mill pond. The coroner here also decided an inquest to be unnecessary.

LEWISTON SHOW SOON DUE

Officers Named Headed by Henry Hettfeld as Chairman.

LEWISTON, Idaho, Nov. 1.—(Special.)—The general local committee of the Lewiston Livestock Show met last night at the Commercial Club rooms and elected the following officers: Chairman, Henry Hettfeld; first vice-chairman, William Thompson; second vice-chairman, Fred N. Shepherd; secretary, Wallace R. Struble; treasurer, Phil Weisberger. The sub-committees will cover the following classes: Finance, grounds and concessions; road, features and horse show; social improvements, city decorations, hotels and lodgings; reception and advertising; membership, advertising and publicity, parade, transportation and excursions. The fair grounds and buildings are receiving a general overhauling and new sheds and stalls are being erected. Everything will be in readiness on the opening day, December 1.

CHEHALIS MUCH ALIVE

Rapid Development of Country Big Aid to Town Growth.

CHEHALIS, Wash., Nov. 1.—(Special.)—More new people have been coming into this city recently and stopping here permanently than for two or three years past. The result is that nearly every available house in town which is at all desirable is quickly snapped up by renters.

Development of the country about Chehalis is attributed with a part of the local growth and the fact that every Chehalis mill and factory of any kind, the coal mines and other industries that employ labor are running regularly and with full crews, account for the rest. The Chehalis furniture factory is still running two hours and a half a day overtime and now has a crew of almost an even 100 men.

Earl Rowell to Lecture. On Monday evening Earl A. Rowell, well-known Bible teacher and lecturer, will begin a series of lectures on the book of Revelations. Mr. Rowell will treat the subject as related to present-day conditions. The lectures will be continued each Monday evening at 8 o'clock. All are welcome.

CARD OF THANKS. Mrs. J. J. Sirey and daughter wish to extend their thanks to their many friends who so kindly lent their aid and sympathy to herself and relatives of the late J. J. Sirey during their bereavement.—Adv.

HEPPNER HIGH SCHOOL HAS SENIOR CLASS OF NINE TO GRADUATE IN 1914.

Above—Heppner High School Building. Below: Front Row, From Left to Right—Harvey Young, Mildred Allison, Ralph Jones. Second Row—John Elder, Gladys Musgrave, Walter Yeager. Third Row—Mildred Hughes, Ella Aiken. Rear—Creston Maddox.

HEPPNER, Or., Nov. 1.—Heppner's new school building, recently completed, cost \$50,000. It is one of the most modern school buildings in Oregon. Its entire third floor is arranged to accommodate the high school, consisting of an auditorium with a seating capacity of 300, commercial and recitation rooms and a superintendent's office. The second floor has eight large recitation rooms, furnishing accommodation for the grades. The basement is equipped with physical and chemical laboratories, manual training and domestic science rooms, play rooms and shower baths. The building is finished in colored compressed brick, heated by steam and lighted by electricity. Its completion marks an educational epoch in Morrow County. The Board of Education includes Sam E. Van Vactor, chairman; M. D. Clark and J. G. Thompson, H. H. Hoffman is superintendent.

MOSIER HARVEST ON

Apple Growers Express Pleasure at Results.

EVAPORATOR IS PLANNED

Crop Larger Than Estimated and Northwestern Fruit Exchange Is Getting Good Prices for Highest Grade Products.

MOSIER, Or., Nov. 1.—(Special.)—The Mosier harvest is well under way now and the growers are finding that their first estimates were too small and that the crop will run at least 25 per cent more than was expected. This is the year for a short crop and the growers are happy over the increase. Last year the crop was the heaviest ever produced in this section, as was the case throughout the entire country. This fact made prices very low and the growers realized small profits. Mosier apples brought higher prices than any other district and the association succeeded in disposing of all the better grades for a fair price. This year the crop is short generally and prices are much higher.

The Mosier Fruitgrowers' Association has made more stringent rules regarding the grading and packing of apples and is improving the standard of all grades and placing only the choicest fruit on the market. The high standard, together with the label that has been adopted by the association, insures the consumer of Mosier apples against inferior goods.

Returns Are Coming. One of the directors of the local association made the statement that returns for the first carload shipped this season have been received and the sales would net the grower nearly \$2 a box. This is considered an extra good price and the growers are well satisfied. The Northwestern Fruit Exchange is handling the Mosier apples.

WALLA WALLA APPLES IN Harvest This Year Not So Large as Last, Is Reported.

WALLA WALLA, Wash., Nov. 1.—(Special.)—Harvest of the apple crop in the Walla Walla Valley is practically completed and the next few days will see the last apples starting out of the valley toward their destinations. The crop this year was not as large as last and worms cut the yield down about 40 per cent.

The Walla Walla Valley Association, which with the two commercial clubs, various individuals and railroad lines will lend their gratuitous cooperation to the Ohio campaign for more people, more money, more products in Grant County. The Sumpter Valley Railway and the O.-W. R. & N. lines in this state have granted free transportation alike for Mr. Brent and his displays.

The Eastern Oregon Mining Journal of Baker, will keep in close touch with Brent's itinerary, printing articles calculated to show Ohio investors the bona fide profits to be made this year by legitimate mining in Eastern Oregon, and several thousand copies will be mailed to various points in Ohio for free distribution. Stockmen, flockmasters, farmers and orchardists have all been enlisted to aid with representative exhibits. Brent will remain in Ohio 45 days, during which period he will show the exhibits and make talks in 30 cities.

INTEREST IN FRUIT NOW Southwest Washington Sees Added Profit in Planting Trees.

KELSO, Wash., Nov. 1.—(Special.)—District Horticultural Inspector Brown reports a decided interest manifest in the planting of fruit trees in Southwest Washington. He advises that trees should be heeled in for the winter months, thereby more easily protecting them from mice, rabbits and other destroyers.

Then let them be set out in early Spring and a good Summer's growth is assured. He states that about 75 per cent of trees delivered in the Spring are poorly cared for in upland cellars and in their weakened condition are an easy prey to insects and fungus disease all Summer long.

RUNAWAY GIRLS CAPTURED One Makes Another Escape Only to Be Recaptured.

COLFAX, Wash., Nov. 1.—(Special.)—Winifred Winn, of Tacoma, and Etta McLaughlin, of Uniontown, who escaped from the Washington Training School at Chehalis, were arrested Thursday at Uniontown and during the night Miss Winn made her escape and

was again arrested at Lewiston, Idaho, by Sheriff Cole, of Colfax. Miss McLaughlin is ill at Uniontown.

Kelso Cannery to Dry Smeat. KELSO, Wash., Nov. 1.—(Special.)—The Cowitz Valley Fruitgrowers' Association's cannery, located here, is to be used as a smelt drying factory. An assured market has been found for all the products a one-ton dryer will produce. This will almost double the smelt trade of Kelso.

Children, Matches, Home Gone. COLFAX, Wash., Nov. 1.—(Special.)—Children playing with matches caused the destruction of Mrs. R. H. McEvers' home in Colfax Saturday morning. The loss is about \$1000. There was no insurance.

Player Pianos—1914 Model. Usual price \$650, sale price \$425. Saving \$225 to you; \$20 cash, \$250 weekly. Graves Music Co. Removal, 111 Fourth st.—Adv.

GRANT SENDS DISPLAY

E. H. BRENT GOES TO OHIO AS COMMERCIAL AGENT. Ores of All Kinds, With Display of Farm, Orchard and Field Products, to Be Made.

JOHN DAY, Or., Nov. 1.—(Special.)—Grant County, Oregon, alive to the possibilities of advertising itself and its resources east of the Mississippi River, will, on November 10, dispatch E. H. Brent to Mansfield, Ohio, laden with products of orchard, farm and field, fleeces from the finest flocks and a mineral exhibit consisting of 75 different kinds of gold, silver, copper and lead-bearing rocks taken from Grant County sources. Brent, as publicity promoter for Grant County, goes East as special commercial representative of the Canyon City and Prairie City Commercial Clubs and also of the farmers and stockmen of the John Day Valley. Included in the exhibit will be the choicest specimens shown at the 1913 Grant County Fair.

Acting with the two commercial clubs, various individuals and railroad lines will lend their gratuitous cooperation to the Ohio campaign for more people, more money, more products in Grant County. The Sumpter Valley Railway and the O.-W. R. & N. lines in this state have granted free transportation alike for Mr. Brent and his displays.

The Eastern Oregon Mining Journal of Baker, will keep in close touch with Brent's itinerary, printing articles calculated to show Ohio investors the bona fide profits to be made this year by legitimate mining in Eastern Oregon, and several thousand copies will be mailed to various points in Ohio for free distribution.

Then let them be set out in early Spring and a good Summer's growth is assured. He states that about 75 per cent of trees delivered in the Spring are poorly cared for in upland cellars and in their weakened condition are an easy prey to insects and fungus disease all Summer long.

HYOMEI SOOTHES, PURIFIES, HEALS CATARRH ILLS

When you have frequent sneezing fits, tickling in the throat, crust in the nose, spasms of coughing, raising of mucus, droppings in the throat and offensive breath, you are affected with catarrh. Immediate steps should be taken to remedy this condition or the ailment will increase and spread through the air passages, and a chronic and serious stage of the disease may result.

At the first symptoms of catarrh, use Hyomei as sold by druggists everywhere. There is no other treatment like it, or just as good; none that can take its place and relieve so surely, so quickly and at so little cost. It is a scientific medicated air treatment, that does not drug and derange the stomach, but is breathed in through the Hyomei inhaler, destroying the disease germs that may lurk in the nose, throat and lungs, and soothing and healing the irritated mucous membrane.

Hyomei is offered to catarrh sufferers with the agreement to refund the purchase price to any one who is not satisfied with results. You certainly can afford to test Hyomei with an offer like this. Get it now, and be cured of catarrh. Hyomei does not contain cocaine, or any other habit-forming drug. Complete outfit, including inhaler and bottle of liquid, \$1.00. Extra bottles of liquid, if later needed, 50c.—Adv.
