Bonding Plan Explained.

Major Henry L. Bowlby, State Highway Engineer, then said that, under the law passed at the last session of the Legislature, Polk County can bond

Blease today replied to the Legisla-ture's proposal to strip him of the "The Paci-"The Pacific Highway is not legal: it is only a road planned by the Panuting the sentences of 14 convicts in cific Highway Association, and the signs were put up by that association on what was then the best roads through the valley," he said. "Oregon has two ways for a road through the Willamette Valley, and both will be improved. All automobiles that come to Portland will continue on any road as far as they are paved. If the paved road stops at Salem they will stop there and go back.

"Bonds could be sold for not less than 5 per cent, as has been proven by the countles that have already floated bonds."

On the subject of "Paved Highways-Will They Pay?" Thomas McCusker said:

"If Bourne's bill goes through Congress Oregon will get \$15,000,000. This money will build roads that will be (Concluded on Page 2.)
