## SALT LAKE'S ONLY NEED IS PITCHERS

### Adding Two Good Men Would Put Team in Pennant Race, Is Fisher's Opinion.

### INFIELD IS STRONG ONE

### Three Hard Hitters for Gardens Are on Hand and Sacramento Holdovers Include Couple of Dependable Twirlers.

BY ROSCOE FAWCETT.

"Give Salt Lake two more silt-edged pitchers and possibly one new infielder of merit and Blankenship's club will be a Coast League pennant contender." This is the opinion of Gus Fisher, Portland's star backstop, and it is concurred in by most of the rairbirds up and down the Pacific Highway.

Blankenship has at least three hard-hitting, dangerous infield men in Tennant, Orr and Gedeon; three heavy bludgeon-wielders in the gardens, Shinn, Zacher and Ryan, and two or three dependable pitchers in the lot whited onto him from the Sacramento-Mission aggregation.

Southpaw Williams probably is the best of the flinging corps. Wolverton bought him last Summer from Detroit, and while his winning percentage was only .394, he ranked among the most efficient pitchers in the league. The new-fangled pitching statistics show that he allowed only 43 earned runs, or an average of 2.06 run a game.

Value of Batting Illustrated.

And yet he won only 13 as against 20 losses, emphasizing that it is a nice thing to have a good batting team behind a pitcher.

Johnny Williams, the Hawaiian, returned from Detroit late in the Fall. If he reverts to his 1913 form he will help Blankenship a lot.

Whether Arlanes, Gregory and Malarkey will "come back" remains to be seen. Malarkey was a bear when at Oakland a couple of seasons ago. With a tail-end crew he won 48 and lost 15, which is certainly quite a record. Johnny Williams led the league that season.

Gregory had the best record of the trio last year, however. Wolverton cornered him after he had driven releases from Oakland and Los Angeles, and Gregory finished close up to 500, with an efficiency rating of 2.74. Arlanes was hit rather hard last year, although his record of wins and losses is about on a par with the others.

In a utility capacity for several seasons.

Blankenship's outfield ought to be a hummer, granting that Buddy Ryan's lame knee heals. Ryan and Shinn will hang around 300 most of the time, and Zacher is a natural .280 thumper. All these men are sluggers, and as Fielder Jones is wont to remark, "A two-base swing in a pinch is worth four singles."

Shinn hit .285 in 1913 and stole 71 bases. Last year he fell down to .264. Ryan hit .296 and Zacher .276.

High Batting Boasted.

Several Union Association stars will vie with this trio for regular berths. Huelman and Carman boast batting averages that would choke a cow. Huelman is said to be too slow to make good in the Coast League, however, and unless Carman has improved a lot since he had his tryouts with San Francisco he will find the sledding rather rough.

Carman is said to possess all the attributes of a grand ballplayer, yet somehow invariably has failed to stick in the real fast company.

Salt Lake's holdover Sacramento catching corps is fairly efficient, al-

M. R. Whitehead, Newly Elected President of the Portland Baseball League.

### CITY LEAGUE IS FORMED

Portland's City League is now a reality. At a meeting of managers late Friday night, M. R. Whitehead, manager of the L. S. Frakes team that won the city championship in 1907, was elected president. W. W. McCredie is to be elected vice-president at the next meeting of the directors.

Four teams will comprise the league, and, under the scheme adopted, four different sections of the city will be represented. Clyde ("Red") Rupert, well-known football and baseball star, will manage the West Side aggregation. G. R. Grayson will manage the Arment Maroons, which will represent Northeast Portland, and Bill Deales, of the Weonas, will place a team in Sellwood, Southeast Portland.

No manager has been selected to head the East Side Club.

Games will be played at the Pacific Coast League park when the Beavers are away from home. An agreement has been entered into between the directors and W. W. McCredie for the use of the park. The Beavers will be absent from Portland on Sunday and the City League schedule will be built around these ten Sundays. Double headers will be played.

The first double header likely will be played Sunday, May 9. All four teams will be out limbering up long before that, however. Two of them will make their appearance March 31 and April 1 at Vaught's great park as Managers Rupert and Grayson have contracted games with the Chicago Colored Giants.

Steel Mills Put on 1000 Men.

MILWAUKEE, Wis., Jan. 23.—The Illinois Steel Company's mills, a branch of the United States Steel Corporation, will be running practically at capacity next week, when 1000 additional men will be put on, according to an official of the company in Bay View. The plant has run for the first time for three consecutive weeks since the slump in October.

## OREGON HAS WEALTH OF TRACK MATERIAL

### Men With Records on Hand for "Bill" Hayward to Mould Championship Team.

### NEW RECRUITS PROMISING

### Hawkins, Windagle, Kelley and McClure Are Ready for Additional Triumphs—Phillbin, Muirhead, of Portland, Bolster Squad.

UNIVERSITY OF OREGON, Eugene, Jan. 23.—(Special.)—For eleven years "Bill" Hayward, Oregon's veteran coach and athletic director, has been in the habit of developing champion track teams. At times the crop of early Spring athletes was far from promising.

This last year has proved an exception in the annals of track. When the first formal call to spikes is issued early next month, the Oregon squad will launch into a season with a wealth of point men. From the ranks of the entries, Martin Hawkins, Vere Windagle, Dan Kelly, and Walter McClure sprang up. All these men have established records in Northwest circles and Hawkins, McClure and Kelly were representatives of the American team at the Olympic games. At London, in 1908, Kelly was tied for first place in the running broad jump and his record of 3 1/2 seconds for the hundred still stands.

With the assurance that a team will be sent to San Francisco after the close of college in June and the possibility that a relay team will represent Oregon in the coming Pennsylvania relay games, interest in track athletics at the college is at fever heat.

During the Fall practice, 40 candidates essayed to enter the ranks of freshmen. Only two of the champions 1914 aggregation, Hamstreet and Nelson, presented themselves for the preliminary tryouts.

Sam Cook, Chet Fee, Martin Nelson, Chet Huggins, Fitzgibbon, Hamstreet, Bob Langley, Heidenrich, Bostwick, Tommy Nelson, and Most Johnny Parsons are expected to don spikes.

Ex-Captain McConnell, Paek, Payne, and Stuller are not in college. Payne, however, Hayward declares that Phillbin has a great future in the shot event if he will get in and work. Since the close of the football season the big tackle has put on 15 pounds and this weight should serve him well in the circle event.

Gorecky is credited in the 100 with 11 1/2 seconds and in the 220-yard dash with 22 3/4 seconds while sprinting under Coach Callender at Columbia University, Portland, two years ago. At the close of that year, in which he 220 time was recognized as the state interscholastic record, the ex-Columbia athlete suffered a severe attack of scarlet fever. The after-effects were a long time in leaving him and it is yet doubtful whether or not it has affected his speed. Wilson "cleaned up" in the sprints at the last city interscholastic meet to be held in Portland.

Muirhead is undoubtedly the greatest "Prep" school field athlete the Northwest has ever produced. He can participate creditably in either the high or low hurdles, the high jump, the broad jump, discus throw, the sprints, and in an emergency run a lap of the relay. It was his feat of annexing more than 20 points in the state interscholastic meet, held at Eugene last Spring, which gave Columbia University its easy victory over all.

Followers of track athletes will watch the work of Loucks and Nelson with a keen interest this season. Loucks, even with the handicaps of 12 feet for "breaking" in the Conference meet last Spring, won the quarter-mile in the fast time of 49 3/5 seconds. This feat equalled the National record.

Nelson, in the same meet, broke the Conference record for the half mile.

Although the season is far distant and the men are unfired, "Bill" freely admits that his team, barring unforeseen accidents, will round into the best-balanced aggregation that Oregon ever has boasted.

Swiss Strengthen Border Guard.

PARIS, Jan. 23.—The Swiss troops have been reinforced along certain sections of their frontier, on account of the uncertainty of the situation, according to telegraphic information from Geneva.
