Mr. Jenkins plans to have the dedication ceremonies simple, which will be in harmony with the policies of Thomas Jefferson. For the present, in order to get the proper size of the granite base, the monument will be placed on a wooden base. It will also be placed between the two flights of steps in front of the building. In-stead of in the round plot. This will only be temporary, however. The mon-ument was designed by the late Karl Bitter. The sculpture will be dedicated about May 1.

The June '16 class enjoyed a talk by Mr. Jenkins hat Wednesday, when he explained the different colleges to the members of the class. Explanations were made as to the different courses and as to the number of credits re-quired. The class is undecided as to whether or not it will give a senior prom.
