To Be Very Smart Wear Wonder Millinery Hats

BEING first to show what is new in hats is a daily habit with us and many Portland women are adopting the habit of seeing our millinery first.

WHETHER it be a hat for dress or street, the women know the Wonder Millinery is the logical place for their headgear.

FAVORED hats for this spring have tendencies for flower trimming and our designers have put into it chic and originality that carries it out of the general run of millinery styles.

THEY'RE new—and remember, they're exclusive. Large droops, smart side rolls, short back pokes and many others.

But you'll enjoy them more by seeing them. Priced \$7.50 to \$25.00

were escorted to tables spread with delicious refreshments. The birthday cake was arranged with numbers for each slice, and an interesting guessing contest was held as to ages and the numbers drawn by each guest. This furnished a great deal of amusement. Mr. Hansen and Miss Cathcart were the recipients of many handsome and useful gifts.

A delightful dinner party was enjoyed Saturday evening at the Hotel Portland by employees of the local branch of the Retail Credit company, and their wives and friends, the affair being in celebration of the 20th anniversary of the organization of that firm. A company of little folk assembled at the home of Master Melvin Pettit, 6304 Ninth street southeast Wednesday afternoon, the occasion being his 6th birthday.
