"Such a Comfy Little Place to Shop-"

We overheard one woman saying that to another and feel mighty good about it! So many women consider shopping a tiresome bore - with miles and miles of aisles to be traversed and tired girls behind the counters—it is a relief to know that the bright, homey, courteous atmosphere of LEN-NON'S is appreciated.

The real secret of it all is SERVICE. It is never too much trouble to show merchandise-it is never too much trouble to let you know when something you've been waiting for has arrived—it is always a PLEASURE to display our wares. Please come in next time you're down town.

## The Wonderful Duo-Art

Yon Can Either Listen to Master Pianists or Play It Yourself

listening in solitude to the faithful reproductions of the world's music master-pieces as played by the great masters of the pianoforte.

Or perhaps you are having a formal social gathering - this marvelous instrument holds the guests entranced, just as Paderewski, Bauer, Ganz, Hofmann and other great artists do in the concert halls.

Then again, think of the influence this wonderful piano has on the children whose musical tastes are still in the process of development. Truly, no greater diversion or more potent influence could be introduced into your home.

Picture yourself seated in the soft, Bear in mind that the performances of subdued light of your living-room, the Duo-Art are the actual performances of master pianists—their playing is reproduced faithfully in the minutest detail-their very personality is revealed in their reproductions. But you can play, as well as listen to the playing of the master pianists. Put in any make of Player Roll and with the exclusive Pianola expression devices, you can play it yourselfyou can experience the intense fascination of participating in the performance and of voicing your own musical feelings.

The Duo-Art is the Piano of today and the future—it is truly marvelous in its power, but at the same time it is within the reach of those homes that can afford a good piano.
