SPOKANE, Wash., Dec. 11.—(Special)—Spokane was given two intercollegiate football games for the 1921 season, according to the action of the Pacific northwest conference college coaches and managers taken in annual schedule meeting here today.

Gonzaga obtained a game with the University of Montana team for Thanksgiving day of next season and the result school team also secured a date with the Washington State college team here for October 15. There is a strong possibility that Gonzaga will also get a game here with the University of Idaho for Saturday, November 19, of next season, but negotiations for that contest were not definitely closed at the meeting today, although tentative arrangements were carried well forward for the battle.

BAN JOHNSON IS ABSENT

Class AA Leagues Understood to Want Price on Drafted Players Set at \$7500.

NEW YORK, Dec. 11.—

Major and minor league committees drawing up a new national baseball agreement tonight delegated to Judge Landis, high commissioner of baseball, George Wharton Pepper of Philadelphia and John Conway Toole of New York the task of drafting the document. The trio met tonight and discussed provisions of the two tentative agreements presented today and will submit their report to the joint committee tomorrow.

UNIVERSITY OF WASHINGTON, Seattle, Dec. 11.—

Hockey is to be introduced into the sport calendar of the University of Washington this year, according to present plans of the athletic department. The appropriation of sufficient funds has been promised by the department and the organization of a squad is under way.

PLAYERS ARE NOT WORRIED

Maggert and Rumlir Declare Selves Ready to Face Court.

BERKELEY, Cal., Dec. 11.—

I saw in the papers today that I had been indicted for whatever that means," said Earl Maggert, former Salt Lake outfielder indicted by the Los Angeles grand jury yesterday in connection with alleged gambling in the Pacific coast league.

Dispute Action Explained.

Mr. Toole explained that if a dispute between two major league clubs, their representatives shall act; if a dispute between a club of either major league and a minor league club, it shall be acted upon by the minor league representative and the representative of the major league involved. Decision procedure reached, however, shall have approval of Judge Landis, he to make the decision should the representative of either league be involved.

Robert Cannefax Is Victor in Semi-Final Match of Tournay.

CHICAGO, Dec. 11.—

Robert Cannefax, title-holder, today defeated Clarence Jackson of Kansas City in the play-off of the three-cornered fight for the national three-cushion championship, 75 to 48, in 100 innings, and will meet John Layton of St. Louis Monday in the deciding game. Cannefax's high run was seven and Jackson's five.

AA Leagues Want \$7500.

It is understood Class AA leagues will hold out for a price of \$7500 for players drafted from their clubs by the major and National leagues have stated their opposition to such a price, because players who have proved stars in the class AA circuits often failed to make good in the big leagues.

President Fultz of the International League, discussing the issue, expressed the opinion that if a new agreement would not be binding on the clubs of his league, even though it were approved by the minor league committee. Other baseball men, however, did not agree with his view and expressed the opinion that if a new national agreement is signed by the National and American leagues and the International association, all the organizations of the league would be bound by its provisions and those who failed to recognize the agreement would become outlaw leagues.

Minor leagues had no voice in the selection of Judge Landis as permanent commissioner of baseball, but their committee insisted that the proposed new agreement contain a provision giving them a voice in the selection of any successor to Judge Landis.

The minor leagues made it plain that, while taking this stand, they were pleased with the selection of Judge Landis and would have voted for him had they been given the opportunity to do so.
