Get Into the Auto or Aviation Business. You're right! No other line of work offers the employment opportunities and big pay that the automobile and aviation business does. The quick and salisfactory way to learn this business and get into it is, through the berp of that man "Adcox," whose school hold the world's record for gradualing the largest percentage of students who make good in a big, commanding way. Today acores and scores of men who less than a year ago knew absolutely nothing about automobiles are earning as expert "gia engineers" double to trebie what they ever before made. Adoux trained them in 12 to 18 weeks. You may be skeptical—say it can't be done—but it actually is being done; and if you will give "Adcox" a chance to laik with you a few minutes or write or sail for a free copy of this big, dollar book, describing his school and his methods, you will quickly be convinced as hundreds of men and young men before you have been. To prove the value of his course to you. he will let you attend his school four weeks free—and, it you find anything misrepresented he will pay you be cannot for each hour in attendance at his school his callog, you were will not anywhere in the weak you have seen another auto for your money, he will his calalog, your truthfully can say that anywhere in the weak you have seen another acre of the week you are more, he will not only a much for your money, he will his calalog, your resent absolutely free of his course, you as much for your money, he will not offers, but you writen, a prospective student said, "Adcox, I thought yours makes them all look like a rusty wind, this effer would be suicidal—would put him out of business in less than three months. Just the day this announcement was written, a prospective student said, "Adcox, I thought yours makes them all look like a rusty kind, this effer would be suicidal—would put him out of business in less than three months. Just the day this announcement was written, a prospective suice of put in the said of the put of the put of copy of his book at a substance is gidress is auto & AVIATION SCHOOL PORTLAND, OR.

If you want to attend an AUTO and TRACTOR school where you get the most complete training, and the best value, then attend HEMPHILL'S TRADE SCHOOL. We have Just installed a large quantity of new electrical equipment. We have also placed in the school for your benefit a brand new VULCANIZING department with all the latest and best equipment available. Now is the time to envol and get ready for that big Job next spring. The demand for trained men will be great. Let us guid you on the road to success. The HEMPHILL schools graduate thousands of successful students each year, you can be one of them this year. You lake the tools in your hands and set the makes of cars. We combine practice and makes of cars. We combine practice and makes of cars.
