## MER COINAGE OF SILVER.

The free and unlimited coinage of liver, the product of American mines. at the old ratio of 16 of silver to 1 of sold, is the only solution of and emedy for the disturbed and unsatisfactory condition of trade, manufacure and general business of the counry. The surreptitious act of 1873, divorcing silver and gold in our monetary system, was a crime of untold magnitude. It was the rankest kind of class legislation in favor of the wealthy against the producers of vealth, and hostile to the prosperity of the United States. It was an act of treason because done at the instance of a European syndicate and for bribe tooney, "giving aid and comfort to our country's enemies." To shield our country's enemies."
