VEGETABLE FREE FROM
WALKER'S VINEGAR BITTERS

Vinegar Bitters are not a fine Fancy Drink, made from Rum, Whiskey, Proof Spirits and Refuse Liquors, doctored, spiced, and sweetened to please the taste, called "Tonic," "Appetizer," "Stomachic," &c., but are a true Medicine, made from the native roots and herbs of California, from a Blood Purifier and a Laxative Principle, a Perfect Renovator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition, enriching it, refreshing and invigorating both mind and body. They are easy of administration, prompt in their action, certain in their results, safe and reliable in all forms of disease.

No person can take these Bitters according to directions, and remain well, provided their bodies are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

Dyspepsia or Indigestion, Headache, Pain in the Shoulder, Cough, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the Regions of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia. In these complaints it has no equal, and one bottle will prove a better guarantee of its merits than a lengthy advertisement.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that a marked improvement is soon perceptible.

For Inflammatory and Chronic Rheumatism, Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have been most successful. Such Diseases are caused by impure blood, which is the result of derangement of the Digestive Organs.

They are a Gentle Purgative as well as a Tonic, possessing also the peculiar quality of acting as a powerful agent in relieving Constipation or Indigestion of the Liver and Visceral Organs and in Bilious Diseases.

For Skin Diseases, Eruptions, Tetter, Salt Rheum, Bores, Spots, Pimples, Psoriasis, Eczema, Itchy Scars, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitiated Blood whenever you find its impurities breaking through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health will follow.

Grateful Europeans proclaim VINEGAR BITTERS the most wonderful invigorant that ever sustained the sinking system.

Fits, Rapes, and other Evils, lurking in the system of so many thousands, are effectually destroyed and removed. Says a distinguished physiologist: There is scarcely an individual on the face of the earth whose body is exempt from the presence of worms. It is not only on the healthy elements of the body that worms exist, but upon the diseased humors and slimy deposits that breed these living monsters of disease. No system of medicine, no vermifuges, no anthelmintics, will free the system from worms like these Bitters.

Mechanical Diseases.—Persons engaged in Mines and Minerals, such as Plumbers, Type-setters, Gold-beaters, and others, as they are subjected to the action of noxious fumes or dusts, take a dose of WALKER'S VINEGAR BITTERS twice a week.

Bilious, Remittent, and Intermittent Fevers, which so prevail in the warm countries, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Rio Arriba, Rio de la Platte, Sacramento, San Joaquin, and many others, with their tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are cured by the use of these Bitters. They purify the elements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no purgative so safe and so effective as WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled neck, Goitre, Scrophulous Inflammations, Indolent Ulcers, Eruptions of the Skin, Sore Eyes, &c., &c. In these as in all other constitutional diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

Dr. Walker's California Vinegar Bitters act on all these cases in a similar manner. By purifying the blood they remove the morbid system, stop the progress of the inflammation (the tubercular deposit) the affected parts receive health, and a permanent cure is effected.

The properties of Dr. WALKER'S VINEGAR BITTERS are: Purgative, Diuretic, Cathartic, Laxative, Sedative, Gonorrheal, Sydnitic, Alterative, and Anti-Morbid.

The Aperient and mild Laxative properties of Dr. WALKER'S VINEGAR BITTERS are the best safe-guard in cases of eruptions and malignant fevers, their balsamic, healing, and soothing properties protect the humors of the lungs. Their sedative properties allay pain in the urinary system, stop the progress of inflammation, wind, colic, cramps, &c.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fortified.

Directions.—Take of the Bitters on going to bed at night from a half to one and one-half wine-glassful. Eat good nourishing food, such as beef-steak, mutton chop, venison, roast beef, and vegetables, and take out-door exercise. They are composed of purely vegetable ingredients, and contain no spirit.

To Correspondents.

TO THE UNFORTUNATE!
NEW REMEDIES! NEW REMEDIES!
DR. GIBBON'S DISPENSARY,
623, Kearney St.,
Corner Commercial Street,
San Francisco.

Established in 1854, for the treatment of sexual and seminal diseases, such as (Gonorrhea, Gleet, Stricture, Syphilis in all its forms, seminal weakness, impotency, etc.) Skin diseases, of years standing, and neglected legs successfully treated.

DR. GIBBON has the pleasure of announcing that he has returned from visiting the principal Hospitals in Europe, and has resumed practice at the Dispensary, 623 Kearney street, corner of Commercial, where his old patients and those requiring his services may find him.

The Doctor has spared neither time nor money in seeking new remedies, and has returned with increased facilities for the alleviation of human suffering.

HORRIBLE DISEASES!
How many thousands of persons, both male and female, are there who are suffering out a miserable existence from the effects of secret indulgence, or from virus absorbed into the system. Look at their pallid, emaciated and disfigured faces and their broken down constitutions, and sympathizing them for the happiness of marriage and the enjoyment of life. In this horrid situation thousands suffer until death closes the scene. Let parents, guardians and friends attend to those who are suffering with any of these horrible, life-destroying maladies—see that they are cared for and cured before it is too late. Send them immediately to Dr. Gibbon, a physician who has made private diseases his especial study for years, and who is certain to cure the most inveterate cases without mercury or any injurious drugs. It is important that those afflicted, and those interested in the welfare of their friends, to be careful of the many pretended doctors who infest all cities, publishing their skill in curing all diseases in a few days, imposing upon the public by using the names of eminent physicians from Europe and other places. Be therefore careful and make strict inquiry or you may fall into the hands of those charlatans.

SEMINAL WEAKNESS.
Seminal emission, the consequence of self-abuse. This solitary vice, or depraved sexual indulgence, is practiced by the youth of both sexes to an almost unlimited extent, producing with unerring certainty the following train of morbid symptoms, unless combated by scientific medical measures, viz: Sallow countenance, dark spots under the eyes, pains in the head, ringing in the ears, noise like rustling of leaves or rattling of chariots, uneasiness about the loins, weakness of the limbs, confused vision, blunted intellect, loss of confidence in approaching strangers, a dislike to form new acquaintances, a disposition to shun society, loss of memory, pimples and various eruptions about the face, hectic flushes, furred tongue, fetid breath, night sweats, monomania and frequently insanity. If relief be not obtained, should apply immediately either in person or by letter, and have a cure effected by his new and scientific mode of treating this disease, which never fails in effecting a quick and radical cure.

CURED AT HOME.
Persons at a distance may be CURED AT HOME by addressing a letter to Dr. Gibbon stating case, symptoms, length of time the disease has continued, and have medicine promptly forwarded, free from damage and curiosity, to any part of the country, with full and plain directions for use.

Persons writing to the Doctor will please state the name of the paper they see this advertisement in.

By enclosing Ten Dollars coin, in registered letter through the Postoffice, or through Wells, Fargo & Co., a package of medicine will be forwarded to any part of the Union.

All communications strictly confidential. Address **DR. J. F. GIBBON,** 623 Kearney street, San Francisco, Postoffice Box 1, 957. n11yr1

HALL'S
HAIR
RENEWER.

Every year increases the popularity of this valuable Hair Preparation, which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and perfected preparation for restoring GRAY OR FADED HAIR to its youthful color, making it soft, lustrous, and silken. The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and, by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair-glands. By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most economical HAIR-DRESSING ever used, as it requires fewer applications, and gives the hair a splendid, glossy appearance. A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the BEST PREPARATION for its intended purposes."

Ayer's Sarsaparilla

Is widely known as one of the most effective remedies ever discovered for cleansing the system and purifying the blood. It has stood the test of years, with a constantly growing reputation, based on its intrinsic virtues, and sustained by its remarkable cures. So mild as to be safe and beneficial to children, and yet so searching as to effectually purge out the great corruptions of the blood, such as the scrophulous and syphilitic contamination. Impurities or diseases that have lurked in the system for years soon yield to this powerful antidote, and disappear. Hence its wonderful cures, many of which are publicly known, of Scrophula, and all scrophulous diseases, Ulcers, Eruptions, and eruptive disorders of the skin, Tumors, Blisters, Boils, Pimples, Psoriasis, Sores, St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, and internal Ulcerations of the Uterus, Stomach, and Liver. It also cures other complaints, to which it would not seem especially adapted, such as Dropsy, Dyspepsia, Fits, Neuralgia, Heart Disease, Female Weakness, Debility, and Leucorrhoea, when they are manifestations of the scrophulous poisons.

It is an excellent restorer of health and strength in the Spring. By renewing the appetite and vigor of the digestive organs, it dissipates the depression and listless languor of the season. Even where no disorder appears, people feel better, and live longer, for cleansing the blood. The system moves on with renewed vigor and a new lease of life.
