Honey Lake

Honey Lake Valley Land and Water Co.

EXPLANATION HE BEAUTIFUL HONEY LAKE VALLEY CONTAINS A large area of fine, level, loam lanes, all ready for the plow,—is sure or counded and shekered by mountains, and has a fine, mild climate the year around. Honey Lake is a body of fresh water covering one hundred square miles. The N. C. O. Railroad has recently been built into the Vailey, and the Great Salt Lake road through Beckwith Pass will also cross it. The land is easily cultivated and produces extra large crops—wheat, oats, barley, hops, corn, alfalfa, vep-tables, fruit and stock. Wood and water are plentiful and lumber cheap. The land can be taken up without of woman, married or single.

We are building a large Water System for the irrigation of this land. We want to get customers for the water we will have to sell, so will help you to get a piece of it. The land will cost you \$7.25 an acre to the Government, 25 cents down, and \$1.00 in four years. The Water (a perpetual a right and good supply), will cost \$6.25 an acre to the Company; \$7.25 down and \$5.00 on delivery to the land for its irrigation. All land effice business is attended to for customers by us without extra charge, and the filings would reb Desert Act as recently amended by Congress, must show a water supply before they will be accepted.

HONEY LAKE COLY, the town we are establishing, offers good chances for the establishment of new businesses, and is well worth investigating.

THESE LANDS CAN BE TAKEN UP WITHOUT RESIDENCE
