RICH PLACERS

F. L. Gilman & Co. Have Made an Important Discovery on Quartz Creek.

F. L. Gilman & Co. have discovered rich placer claim in the Blue River mining district, on Quartz creek. It is creek and several other small creeks. The gravel is quite extensive and will top pays 5 cents to the pan. We were shown some of the gold, one of the nuggets weighing \$1.50. A hole has been sunk ten feet in depth without finding bedrock. Water can easily be placed on the claim.

Several men will leave for the claim the latter part of the week taking with tion of diseases, including paralysis, at them sluice boxes and provisions. A the advanced age of 78 years. He only esbin will be built at once and work left his office a few days previous to his will be prosecuted with vigor on the death, as justice of the peace trying a
