## OCTOBER 3, 1890

With this issue a change takes place in the management of this paper, the TIMES Publishing Co. expiring by limitation. The books have been closed and statements will be sent immediately to all indebtors prior to July 1, 1890. An early settle-

ment is requested and required, as the business of the company must be settled TIMES PUBLISHING CO. Jacksonville, July 1, 1890.

## The Races.

The following is a summary of the races which took place at the district fair last | eek and have not been reported in the

FIFTH DAY. In the novelty race, one mile, Klickitat cure you, was first at the quarter and half mile poles and also came under the wire first. Wolf nearly even Creek Bally leading him at the three-quarter post. Sammy H. bolted the track

The trotting race was won by Homakar's Maud O., beating Geo. Leroux's Signal Venus the latter taking the second heat. Best time 3:10. The running race was won by Bingo, Ruby R second. Arago, Wake-up-Jake, and Oregon Boy also ran.

Wolf Creek Bally were entered. It was a their usual conditions runaway for the former, who won with hands down in slow time.

The trotting race for the purse of \$500 was the biggest fake of the whole fair. The entries were the Crescent city horses John branch railroad already. Nelson and E. P. and Dr. Van Dyke's stallion Adrian. The latter won the first heat at d E. P. the second, with Nelson fresh, at Reames & White's. tan ed The next was a dead beat, and Adrian won the two next heats, although E. P. can beat him easily. A great many cools were soid on the race, and, of course, there was much dissatisfaction among those on the outside. The slow race did not materialize, and a

atch race between Gold Digger and Blue heat was substituted. The latter won The match race at the fair grounds last week, between the trotters of J. Bellinger, J. Angle and Lawton Bros., was master at Warner lake, Lake county won by Billinger, although it was suppos-

The Champion Peach. There has been much controversy

Ashland over the question whether a peaclever grew large enough to weigh a fur-pound, and the veteran nurseryman. O every peach brought him that would weigh on picked a peach, which he had season 11,000 bushels of grain. been watching for sometime on a tree at his place in town, and found that its weight was exactly 18% ounces, and that it measured 12% inches in circumference. This is on effective wind-up of the controversy, and it is believed to be the champion peach of the Pacific coast for size. It was sent to southern Oregon district fair at Centr. oint, and has since gone to the Industria air at Portland. It is of the variety called 20 ounce cling, and from a tree that has borne many very large peaches. J. W. Hockersmith, the fruit shipper, offered \$5 ba for the peach, and is now the owner of isays the "Tidings."
