SPECIAL NOTICES.

CONSULTATION GRATIS.—The extensive practice which DR. J. C. Young has acquired in California is to be attributed in a great measure not only to his skill and experience, but to his liberality. Persons afflicted with any disease cognizant in his branch of pharmacy, may consult him, at his office, any day, *free of charge*. When addressed by letter, where a written answer is required, the usual fee ($10) will be exacted. Office hours, from 10 o'clock A. M., to 8 P. M. Invalids placing themselves under the charge of Dr. Young can rely upon a speedy and permanent cure. The Doctor's uniform practice has been to take no pay unless a cure is effected. "No cure, no pay," is his motto. Letters and certificates innumerable, from those who have been cured of long standing and chronic diseases under his treatment, are always open to the inspection of the public at his rooms. His medical ability is ably and thoroughly demonstrated in his numerous medical works, copies of which can be had at his office. Having been voted an honorary member of the Royal College of Surgeons, London, the highest chirurgical body in existence, he feels confident that his services cannot fail to be appreciated in a discerning community. Volunteers!

There is a petition with Mr. Burke, at the "Jacksonville Restaurant," asking Congress to pay the expenses of Capt. Olney's and Capt. Walker's companies. All the officers and men belonging to those companies, and all who furnished supplies, are requested to call and sign the petition.

MANY CLAIMANTS.

DR. GUYSOTT'S
Improved Extract of Yellow Dock and
SARSAPARILLA.

THE ORIGIAL AND GENUINE IS PUT UP IN QUART BOTTLES.

Which is acknowledged to be the best Sarsaparilla made; and is certified by the wonderful cures it has performed.

Remember this is the only True and Original Article. This medicine when used according to directions,

will cure without fail,

Scrofula, or King's Evil, Cancers, Tumors, Eruptions of the skin, Erysipelas, Chronic Sore Eyes, Ringworm or Tetter, Scald Head, Rheumatism, Pains in the Bones and Joints, Old Sores, Ulcers, Swelling of the Glands, Syphilis, Dyspepsia, Salt Rheum, Diseases of the Kidneys, Loss of appetite, Disease arising from the use of Mercury, Pain in the Side and Shoulders, General Debility, Jaundice and Costiveness.

Best Female Medicine Known.

The Yellow Dock and Sarsaparilla is peculiarly adapted for females of delicate health, resulting from the irregularity of menstrual discharges, and other diseases peculiar to their sex. We assure the afflicted that a Bottle or two of Dr. Guysott's EXTRACT OF YELLOW DOCK AND SARSAPARILLA will at once regulate those difficulties and renew the natural energies.

☞ CAUTION.—Do not be imposed upon by unprincipled druggists. Take none but the GENUINE, which is put up in QUART BOTTLETS, and sold by *respectable* druggists.

Dr. Wistar's Balsam of Wild Cherry.

For the Instant Relief and Rapid Cure of Coughs, Colds, Hoarseness, Croup, Bronchitis, Influenza, Pain in the Breast or Side, etc.

A fair question. Answer it to suit yourselves. Would you prefer to have health restored and life prolonged by (what our physicians say is) quackery, than to die scientifically? You all know of wonderful cures effected by Dr. Wistar's Balsam of Wild Cherry, and yet you entertain a kind of prejudice, because you choose to call it patent medicine. It is only because you do not know Dr. Wistar. If your family physician had made a great medical discovery, could he not send his bottle and cure a patient in Timbuctoo as well as at home? This is only the fact with Wistar's Balsam. It is important to you, invalid. Throw away your delusions. Wistar's Balsam is performing wonderful cures. It will cure you.

☞ BE CAUTIOUS! as there are many counterfeits. Look well at the signature before purchasing—take none unless it has the name of Sanford & Park engraved on the outside wrapper, as all others are BASE COUNTERFEITS.

PARK & WHITE are the only Agents, to whom all orders should be addressed. Also, Importers, Wholesale and Retail Agents of all valuable Patent Medicines, warranted genuine. 43m3

PHYSO-MEDICAL INFIRMARY.
A. B. OVERBECK, M. D.

I TAKE THIS METHOD OF INforming the Public that I have fitted up, at my residence at Pleasant Grove, two miles east of Jacksonville, a suitable building for the reception and treatment of persons afflicted with any form of disease.

Patients will be boarded and treated at this Infirmary at prices varying with their conditions and wants. Those who cannot remain in the Infirmary will be examined and provided with medicines and directions peculiar to this system—a mode of treatment by which thousands have been cured and and restored to health—at very moderate charges.

I have ample arrangements for the administration of the various kinds of Baths—medicated, vapur, warm, cold, &c.

The distinguishing feature of the Physopathic Practice consists in the administration of an innocent medication. All agents, whether mineral or vegetable, that are known to act as poisons, are rejected from my practice. The Physo-pathic practice signifies the treatment of disease with agents that act in harmony with the recuperative powers of nature.

N. B.—No person will be received at the Infirmary who cannot furnish good guarantee of payment.

BATHS!

The public generally will be accommodated at any time with any of the above specified Baths. The Bathing-room and tubs are lined with zinc, and will be entirely free from taint.

This certificate was sent us by our agent at Patterson, N. Y., which is also certified to by several of the neighbors of Mr. Ballard.

Messrs. A. B. & D. SANDS: Gentlemen.—It gives me pleasure to send you the following statement in regard to my son. He took a scrofula, and after eight weeks of severe suffering the case settled in his left leg and foot, which soon swallowed the utmost. The swelling was lanced by his physician, and discharged most profusely; after that none than eleven ulcers formed on the leg and foot one time. We had five different physicians, but no relieved him much; and the last winter found it so consolidated that he was unable to leave his bed, suffering the most excruciating pain. Part this time the bone had become so much affected, at piece after piece came out, of which he has now no less than twenty-five preserved in a bottle, varying from one inch and a half inches in length. We'd given up all hopes of his recovery; but at these we were induced to try your Sarsaparilla, and in it was his health and appetite began immediately to improve, and so rapid was the change that less than a dozen bottles effected a perfect cure.

With gratitude, I remain truly yours,

DARE BALLARD.
