FRENCH MEDICAL OFFICE.

Dr. Pierre Pharaon, Doctor of Medicine of the Faculty of Paris, Graduate of the University Queen's College, and Physician of the St. John Baptiste Society of San Francisco.

Dr. Pharaon has the pleasure to inform strangers, and others seeking a differential medical advice, that he can be consulted daily at his office, Armory Hall Building, North-East corner Montgomery and Sacramento streets, San Francisco. Hours No 9, 10, 11, and from two to eight, entrance on Upper Montgomery or Sacramento streets.

Dr. Pharaon's studies have been almost exclusively devoted to the cure of the various forms of Nervous and Physical Debility, the results of infectious habits contracted in youth, which usually terminate in impotence and sterility, and permanently impair all the contemplative faculties of the mind. Where a person indiscreetly enters into the happiness of a life and that of others wrecks and invalids himself the necessity of its removal, for it is a fact that premature decline of the vigor of manhood, matrimonial unhappiness, compulsory single life, etc., are their sources in cases the germ of which is planted in early life, and the baneful results being afterward, particularly, manifesting under this complaint, will accumulate if one or more of the following symptoms: Nocturnal Emissions, Pains in the Back and Head, Weakness of Memory and Sight, Discharge from the Urethra, on going to stool or making water, the Involuntary Partings are Wasteful, Loss of Muscular tissue, Aches are dreaded, and there is a disinclination to attend to business, or even to reading, writing or the society of friends, etc. The patient will probably complain of Dizziness, Vertigo, and that Sight and Hearing are Wearied, and sleep disturbed by dreams, incidentally, Aching, palpitation, lumbago, pimples and sore throat, while some have external rheumatic pain, and numbness of the body, some of the most common symptoms are pimples in the face, and aching in different parts of the body. Patients suffering from this disease should apply immediately to Dr. Pharaon, either in person or by letter, as he will guarantee a cure of Spermal Emissions and Impotence in six to eight weeks.

Patients suffering from recent diseases, in any stage, Gonorrhœa, Gleet, Stricture, Bubo, Ulcers, Chancroid, Erysipelas, etc., will be treated successfully. All Syphilitic and Mercurial Taints entirely removed from the system.

Dr. Pharaon's diplomas are in his office, where patients can see for themselves that they are under the care of a regularly educated practitioner. The best references given if required.

Patients suffering under chronic diseases, can call and examine for themselves. We invite investigation; claim not to know everything, but to cure everybody, but we do claim that in all cases taken under treatment we fulfill our promises. We particularly request those who have tried the so-called Doctor, and that celebrated physician, all hope has now disappeared, to call upon us.

Low charges and quick cures.

Ladies suffering from any complaint incidental to their sex, can consult the doctor with the assurance of relief.

Female Monthly Pills.

Dr. Pharaon is the only agent in California for Dr. Bunt's Female Monthly Pills. Their immense sale has established their reputation as a female remedy, unapproached, and far in advance of every other remedy for suppressions and irregularities. All other uterine ills in females. On the receipt of five dollars, these Pills will be sent by mail or express to any part of the world, secure from curiosity or damage.

Persons at a distance can be cured at home, by addressing a letter to Dr. Pharaon, corner of Sacramento and Montgomery streets, Rooms, 10 and 11, or Box 973, P. O. San Francisco, stating the case as minutely as possible, general habits of living, occupation, etc., etc.

All communications confidential.

CAPT. SLIGART

WILL STAND AT THE RANCH OF THE subscriber, near Ashland Mills, Jackson county Oregon, the ensuing season, commencing April 1st and ending July 1st.

I purchased Capt. Sligart, in Licking county, Ohio, and brought him out via Panama, in the spring of '66. He is a beautiful dark dapple bay; is said to have weighed 1,440 pounds, and trotted his mile in 2 m. and 42 sec; has never been trained to any great extent; is near perfect in his proportions, of the finest style—in muscular power is remarkably well developed; is a horse of first class action, and was by the best horse men, acknowledged to be the most perfect formed horse in Ohio, for speed as a trotter and size.

PEDIGREE:

His sire was a large, beautiful "Sir Thomas Hoxie," a size a well bred carriage horse, known as "Woodward's Sir Thomas"; he by Diomed, jr., and he by Imported Diomed. His dam was a well bred "Farmer's Delight," and in the county has ever stood unequaled as a Roadster and mare for general purposes.

CAPT. SLIGART is a half bro. of Capt. Fleher, now owned in California. No stallion of his size has equaled his time as a trotter. He is also a half bro. to Moll Brook, of Cincinnati, Ohio, who has shown a gait that stands unrivalled in the annals of trotting time; also a half bro. to the celebrated Lady Highfoot, of Chicago, Polly White, of San Francisco, and Wild Bill, of Buffalo. I learn that another half bro. called Capt. Fairfield, was awarded the First Premium at the last State Fair in Ohio, and was spoken of in their report as the best horse for general use in the State.

Hence it is plain to be seen, that he is of a family of the best stock of horses for speed and size in Ohio. His colts, when grown, are large, well formed, with good action and fine style, and bring the highest price for the Eastern market.

TERMS—$35 the season—three mares for $100—in U. S. coin. The horse will not be moved, but I would prefer breeders to come on Tuesdays and Saturdays, or early in the morning, as I have to hunt my animals out on the range, and may not have a groom always at the stable. W. C. MYER.
