LOCAL AND OTHER INTELLIGENCE.

A GRETNA GREEN AFFAIR.—It is an old saying that true love never runs smooth. So thought the hostler of the N. W. S. Co. at Cayuse. So he provided himself last Friday night with Dave Wright's best livery team, and at midnight he and his love left the hospitability of Cayuse, climed in the buggy and took across the country to Walla Walla, where they intended to take the stage for Lewiston, to be made one in body as well as in mind. The next morning after the happy couple left, all the denisons of Cayuse were busy examining the roads to see which way the buggy went, but the trail lay over bunch grass and was cold, and before it could be found the gay party were well out of harm's way. None but the brave deserve the fair. Luck at, tend them. This reminds the printer's devil of Lady Herron's song to King James in Scott's Marmion:

One touch to her hant, and one word in her ear,
When they reached the hall door and the charger stood near;
So light to the croupe the fair lady he swung,
So light to the saddle before her he sprung!—
"She is won! we are gone, over bank, bush, and scaur;
They'll have fleet steeds that follow," quoth young Lochinvar.

There was mounting 'mong Grames of the Netherby clan;
Forsters, Fenwicks, and Musgraves, they rode and they ran;
There was racing, and chasing, on Cannobie Lee,
But the lost bride of Netherby ne'er did they see.
So daring in love, so dauntless in war,
Have ye e'er heard of gallant like young Lochinvar?

We announced last week that the Fall fights had commenced in our town. Scarcely had we gone to press and distributed the paper wuen another row took place. This time between a man and a couple of well grown hoodlums. Some running pro and con, no particular damage done, but was highly interesting to the parties engaged and afforded amusement to the crowd that witnessed it. It's all right now. Scabby sheep was what was the matter next, and as arguments failed, one of the parties concluded he would put a scab on the man's nose—this was objected to, and mutual friends assisted by the night-watchman, concluded it made no difference with the sheep but was very unbecoming to a man. Soft answers turned away wrath and both parties are perambulating around as though there was no scab in the country. We have no need of Uncle Sam's soldiers to quiet the riot. Gen. Sprague was equal to the emergency.

STATE FAIR.—We have heard of the Pendleton delegation that visited the Fair. E. Welch and Frank Gray returned Tuesday night highly delighted with everything west of the Cascades, but the rain and mud. They lost Disosway and Morse, but ascertained they were on the steamer for California. Whether as prisoners or guards deponents say not. Jacob Frazer we learn has again invested in fine blooded Merino's that he found Put Smith in possession of at the Fair grounds. "Jaky" never will quit such work till he has the best thoroughbreds in the State, if not in the world.

Wednesday night the elite of town stamped the heavy heel in Milarkey's hall. It was fun to see the great muscular arms encircle the slender waists, throw their right eye over their right shoulder, their left eye drops like a roosters tail after a shower; and then commence to guyrate something like the style described by the classic poet:

First upon the heel,
Then upon the toe;
And every time they turn around
They go just so.

Mrs. Col. Stewart has again laid us under obligations. A box half full of the most delicious pears, the other half filled with pears and apples such as we never saw. Joe Meek's expression that there was barely enough to go round won't do. There was enough for half the town and leave an apple and pear that would weigh two pounds apiece. To be convinced call at the Col.'s house and he will show bushels of the same kind. Thanks Mrs. S.

That old pioneer merchant, formerly of Vancouver, Mr. J. Hexter has, just arrived in Pendlston with a new stock of goods. Hr. H. has been engaged in the mercantile business on this coast since 1853; he having opened the first store in the town of Vancouver in that year. He will permanently locate in Pendleton, and we advise the people of Umatilla county to give him a call, as he will be pleased to see them at all times.

From a private letter to J. H. Turner we learn that our former townsman, James Moore, is in Ventura county, California, perfectly disgusted with the country, and would very much prefer living in Eastern Oregon. The sickness of his family has kept him thus far, but he will return the first opportunity and never leave again. He will be welcomed home.

Saling & Rees of Weston sell goods of the best quality at Walla Walla prices. See ad.

Pendleton Mills turn out from 60 to 70 barrels of flour daily.

What piles of goods! what piles of goods! and oh, how cheap! Where? At Switzler's of course.

A first class shoemaker would do well in Pendleton. One who has life enough to advertise his business.

Quarterly meeting at the M. E. Church, Pendleton. Wednesday evening, October 24th, 1877,. Preaching at 2 P. M., and at night.

MARRIED.—October 12, 1877, by the Rev. S. W. Davies, Mr. B. F. Swaggart to Miss Olive E. Bush. All of Umatilla county.

Fall races at Walla Walla November 6th, 7th, 8th, 9th and 10st. This is noticed in the interest of those persons who own fast stock. Go in boys and win.

We are informed that our old friend Chap Geiger, of Lower Willow creek, fell among thieves at Hillsboro last week, and was robbed of one hundred dollars.

MARRIED.—October 3d, at Heppner, by O. H. Hallock J. P., at the residence of Dr. Shobe, Mr. George Gray and Miss Lucy Willingham, both of Umatilla county.

ARRIVAL.—We note the arrival in our town of Jake Barnes. It is reported that he and Frank Beagle are about to engage in the livery business. Success attend them.

We received too late for insertion in this issue a list of names of persons who have patents for their lands in the land office at La Grande, which we will publish next week.

OLD SETTLER.—The oldest settler in Umatilla county paid our town a flying visit this week. He always comes to Pendleton to hunt cattle and nearly always finds them—and his name is John Bradburn.

Fred. Bonebrake, formerly a driver between Umatilla and The Dalles, is at Camp McDermit. We publish this item for the benefit of his particular friends, many of whom supposed he had been murdered by Indians years ago.

Our friend Sister H. Peters took his departure for Walla Walla Wednesday. He goes without a rag on his back, and we hope he will not return like the Irishman, "covered with rags", but with his pockets full of legal tenders.

Mrs. Lot Livermore surprised editor and printer last Saturday, by laying on the sanctum a nice mince pie. We can't do the subject justice on paper, but our palates still testify to its superiorty over any and all pies tasted by us. Thanks Mrs. L.

I sit right down to write of proud Dave Wright, right on the heels of two little Wrights. A right girl puts in an appearance; and Dave is right proud to think it weighs 10 pounds and twenty-eight ounces, and is at this time all Wright. Born at Pendleton, October 13th 1877.

We understand it is the intention of that chief of artists, Mr. Leo Schumacher, to visit Pendleton soon, and establish in business. We trust that such is the case, for from samples we have seen of his work we pronounce him the best photographer we have found east of the Cascades.

C. R. Allen of Weston precinct is supposed to be the champion squash grower of this county. There is the place to get your seed for next year. He brought in the town of Weston last week a squash weighing 139½ pounds, and has a field full of the same kind; its circumference was 6 feet 6 inches and ½. Diameters respectively 2 feet 2, and 15 inches. Who can beat this?

MISSIONARY TO THE INDIANS.

At the last session of the United Presbyterian Synod of the Pacific, Rev. Fee was appointed as missionery to the Indians on the Warm Spring Agency, and we learn that he will remove to that place in a short time. He is eminently fitted for the duty before him, having had considerable experience in managing Indians during the last few years, while acting as one of the teachers on the Nez Perce reservation.—S. R. Democrat

Surely if his teaching can raise up another Joseph for the Warm Springs, he will have made his name imperishable as a missionary.

And they fell among thieves and robbers at the State Fair as follows: Dr. Simpson of Birch creek, $20; George Coggan, $182 50; Hood of The Dalles, all his pocket change. According to the best information we receive from 300 to 400 men were robbed of watches, money and jewelry. Surely Webfoot is basking under the rainy tears of christianty and morality.

We were really surprised last week on looking through the naillinery store of Mrs. Barton to see the fine assortment of goods she has on hand. No one need now leave Pendleton to get anything usually kept in a first class milliner's store. Ladies give her a call. Those contemplating marriage would do well to call and examine Mrs. Barton's fine bridal veils and wreaths.

Oregonian: A postal card has been received here from Beaverton, Washington county, under date of October 12th, which says: "A smart shock of earthquake was felt here at 1:40 P. M., lasting about three seconds. A general scare and a few broken dishes were the net proceeds.

DIED.—At the residence of Cal Young, on Birch creek, October 18, 1877, at 1 o'clock P. M., Mrs. Amaryllis Young, aged 83 years and 10 months. Mrs. Young was a native of the State of Pennsylvania, and was a worthy member of the Baptist church. Thus the aged pass away. Peace to her ashes.

GIVE HIM A CALL.—The irrepressible Jerry Despain has just completed an addition to his house, furnished it with beds and intends accomodating all persons who visit the town hereafter, with the best grub and most comfortable lodging to be had in Pendleton.

Rev. D. A. Crowell of the M. E. Church leaves us to-day for his new work at Roseburg. Mr. Crowell is a man of more than ordinary ability, and we bespeak for him a kind reception and liberal support wherever his lot may be cast in the future.

Oregonian: Chas. Newell, formerly of Walla Walla, and more recently of this city, whose connection with the Herald will be well remembered, was married at Washington city on the 4th of September to Miss Lucia B. Harris of Richmond, Va.

All those who are indebted to the EAST OREGONIAN on subscription are earnestly requested to call and settle, as we must have money. The accounts are in the hands of Turner & Bailey.

MADRID, October 11.—The Spanish Government has paid the American minister $570,000 on account of claims for losses incurred by [American citizens in Cuba through the revolution.

MARRIED—At the residence of S. French, near Heppner, October 15, 1877, by Rev. J. C. Kirkman, Mr. S. P. Garrigus and Miss M. Josephine Melson.

You will be astonished if you call on Probstel Bros. at Weston to learn the exceedingly low prices they are selling their new goods at.

Astorian: Kinney's cannery is going to resume work next week, but instead of salmon will can beef.

We make our politest bow to Mrs. Clara Livermore, our first cash lady subscriber. Who will be next?

THE EAST O

PENDLETON, UMATILLA C.

This paper is publish. really one of the best coun. of the State, and which yet contains much valuable public land. The paper can be made a valuable auxiliary to the more speedy growth and settlement of the county, provided a generous support is accorded it by those who have positive interest in the welfare of this portion of the State. The very hard times and great scarcity of money will deter many from subscribing for the paper, who under ordinary circumstances, would willingly assist in maintaining the enterprise, by buying their MONEY'S WORTH of NEWS, both home and foreign. The duty of all is to subscribe, first, for a copy for home reading, and then to send at least one copy to a friend in the States, that it may then be circulated among those who desire to better their condition by immigrating to a better country. It is a notorious fact that Oregon papers sent East, have brought hundreds of families to our State. Besides those friends left behind prefer a paper sent to them every week rather than a letter semi yearly. Really it is in the power of all to subscribe, as we stand ready to receive from those who cannot pay money, ALL KINDS OF PRODUCE of the farm from a load of hay down to a turnip. It is not begging that we are, but simply reminding people of their duty, to themselves, their friends and the public.

ADVERTISING.

To those doing business in the country the necessity, or rather benefit of advertising ought to be apparent. Let our country paper make a good showing of business men; let it reflect the business of the country, and then those abroad can form a correct idea of what we are and what we are doing; besides the advertiser will get HIS MONEY BACK indirectly fourfold.

JOB PRINTING.

The EAST OREGONIAN job office can turn out as good plain business and social cards as any office in the State; having a fast Ruggles card press in good order and condition, card printing is made a SPECIALTY. The large assortment of wood and other type renders the office complete for poster printing, which we are always ready to do with celerity and certainty and at very low prices. Any business man in the country desiring any kind of job work done, will please address us and get terms—and we pledge ourselves he will have no occasion to send to Walla Walla or Portland. Years of experience, and an acknowledged skill in job printing prepares us to assert that we can give entire satisfaction.

LOCAL ITEMS.

The settlements and towns of Umatilla county are so distant from the county-seat, and from one another, that the expenses of employing a reporter in each would be too great for the small business we expect to do for a year; therefore we would deem it an especial favor if persons in each town and settlement would send us each week all local items and occurrences in their town or settlement. Items which are sometimes considered trivial read well when in print. Young men and women who desire to cultivate their powers of composition and learn to write in a terse, brief and plain manner can avail themselves of this invitation, and benefit themselves, the public, and render us a great favor. In these columns we hope to bring the people of all parts of the county closer together, to let the people of each section know what the people of other sections are doing—and this we cannot accomplish without assistance from one or more persons from every town and settlement in the county Therefore we say.
