Hard to Please.

The Radicals are truly hard to please, the world, and now I want to impress it To own what you have and owe no man, apon the minds of all the boys and young is a happiness not easily described. To be office, they denounce the party as a set of men, to guard with your sacred honor, and satisfied with what one has and labor to the case wite Gen. Ewing. They can't by your ancestors, and prove yourself to be money by taking chances, but it is not G. E. Tallinda...... make an issue on the silver question against him, because Foster, it appeared, voted with Ewing on that subject; they can't question his Union record, for he went into the war,

Governor of that State.-Standard. We guess you don't know Tom Ewing. his claims. He is no Democrat but a July, 1776, and the Fourth of July, 1879. butcher, a murderer, a highway robber, a tyrant, an assassin and a disgrace to the human family. Republicans are bad enough, but no Republican, let him be ever so low, debased and contemptible, but what is a christian gentleman compared with Ewing. Get his famous order No. 11, Toney, and read it and then see if you can totally depopulated by his infamous order. Old men, women and children were driven from their homes without a change of clothing, loyal and disloyal alike, and derer grew rich on the spoils he found when no one was left to defend. He only fought unarmed citizens, women and their hen roosts. No, Tony, give us Sp the human race to hear good men isdora-

It was the policy and literally carried out, that only rulers and their counselors should be educated in the science of governing temporarily, and that only consecrated priests should be educated to govern spiritually. By combining the two it was made to appear to the poor and industrious class that God held prophets priests and kings within the palm of his hand; that he converted and instructed them in all things, that as long as religious instructors counseled obedience to tyrants it was their duty for their own good on earth to obey; and for their spiritual welfare it was imperatively demanded by God himself.

When the great mass of a nation believed explicitly in such doctrine, is it a wonder that ignorance was considered a virtue?
