About the middle of the summer two enterprising men by the name of F. D. Sanders and J. G. Henrici left their homes and Mr. Jacob S. Wilcox had the misfortune took to the Blue mountins with provisions to break his left leg between the knee and the ankle; he was riding on the running and mining implements. After weeks of gears of the wagon and had his foot hang privation and toll they brought up on the ing down, when it caught between a stamp north fork of John Day's river, about ten miles above Texas Bar. Now this stream has been mined more or less since 1865, and the limb and the patient is now doing well. had never thus far proved remunerative, Mrs. J. M. Hays is very low with typhoid notwithstanding the gold was worth 18 and fever. We hope she will pull safely through. James Gerts is also very low with the same disease.

There are save a hundred tons of whea. gust. These men had tried everywhere, stored at Wallula. The O. S. N. Co. will and finally concluded as a last resort to go not receive any wheat for shipment, that is, to the bedrock in one of the numerous hauled there by farmers. E. A. Linn sent prospect holes on one of the bars—that had been abandoned years ago—they commenced and suck about six feet and struck bedrock, and better yet, struck gold in pay.

The definition of the bars—that had been abandoned years ago—they commenced any more wheat down for it would have to lay over until Spring. The O. S. N. Co. telegraphed from Portland to Wallula not the property of the ing quantities. After rocking out several to receive any wheat from teams until the dollars and satisfying themselves that the railroad had got all the wheat from Walla mines were good, they came into the county | Walla down. This is work of monoged, sent to record their claims and purchase Hathaway of their luck and future pros. PALL Races - The proprietor of the pects, whose imagination was soon wrought Walla Univing Park offers some supplies. While here they informed Mr. I. up to the highest point. Dreaming nights, of untold wealth lying buried in the solitude. Among other horses that have been named of the Blue mountains. It was too much for the races are the running "Georgia A." —so in company with C. Hunsaker he proceeded to make a personal examination and now has returned and reports that the half has not yet been told. Bar after bar was found more runners and trotters. was found where gold in paying quantities The programme for the races is as follows: lies. The country was alive with prospec-tors from Canvon city, Granite and Birch creeks, and nearly all the country on the all; purse, \$400; 1st horse, \$250; 2nd, \$100; river is taken up. We have not been called 3d, \$50. on to set up with Hathaway as yet; but if Second
