

LOCAL AND OTHER INTELLIGENCE.

LODGE DIRECTORY. President Lodge, No. 22, A. F. & A. M. Meets on the evening of the 1st and 3rd of each month...

OUR AGENTS. H. H. GILBERT, Washington, D. C. F. F. FLETCHER, Portland, O. Y. R. RYAN, Astoria, O.

Our Patrons. Machinery. A long felt need in our farming community has been filled by the opening of a machine depot in Pendleton by Wheeler Bros. & Co.

Black Smiths. Of these we have two to commend to the public. W. H. Marshall continues at his old stand opposite the post office...

M. E. Folsom. On the other hand, is a good man too and we would not draw any invidious distinctions between them. The only difference is that one is a Democrat and the other a Republican...

J. Baylor, the Saddler. Farmers, teamsters, horsemen and all mark well this stand and do not pass it by. There is no need of going away from home to deal when we can have all our needs supplied at our door.

A. Healey. Is the best boss and also maker of Umatilla County—and never let this fact slip your memory. We permebrate this man's handsphere over some of his handiwork...

On Tuesday last Robert Sargent, Deputy Sheriff, for Wm. Martin, Sheriff of Umatilla County, sold the property known as the Cold Spring Landing on the Columbia River...

BIBLIOPOLY.—On last Monday morning it was discovered upon opening Matlock's saloon that it had been burglarized on the night preceding. Mr. Lute Kuykendall, the bar tender, was the first party to make the discovery...

Notice. I, I. Hathaway, want money just as well as other men. Therefore this is to request all parties knowing themselves to be indebted to me to come forward and settle all accounts without delay.

Notice. In order to reduce my surplus stock of cook stoves I will sell them at cost from this date until January 1st next.

Notice. We see by the Redback Democrat that J. H. Baker, for at Pendleton, has opened a store in Baker City.

On Thursday morning last a lively encounter took place about 2 A. M. between one of our boys and a foreigner generally known as "Butch". The parties being armed with only nature's weapons and 108 pounds to the square inch of "meat", a ring was formed and an opportunity given them to exercise their hammering talents.

Judge Dandy decided last week that a half breed Indian could not be naturalized as a citizen of the United States. The laws of the United States governing this question all speak of white persons, and the Judge held that unless the applicant could be considered to come within that category he could not become a citizen.

The Phantom Party on last Tuesday night proved a highly pleasant and enjoyable affair, combining the interest of an ordinary dancing party with the ludicrousness of the figures on the floor. The best of music was furnished by Prof. Huson, the crowd was select and harmonious, the new hall is the place of all others for a dancing room, and every thing combined to make the entertainment highly enjoyable.

We hear great complaint made about the difficulty of getting mail out of the post office on Sundays, and we confess to have had considerable trouble about the matter ourselves lately. It is unnecessary to repeat the office is kept open all day on Sundays, and we would not ask such a thing, but we would suggest that it be opened regularly and the public be notified of the hours—say one hour in the morning and one in the evening.

The deep snow and excessive cold which visited us on last week was happily dissipated by a "Chinook" which set in on the hills and along the mountains base on Monday and Tuesday last, producing a general thaw. This is a most fortunate thing for stockmen, for should we be afflicted with a deep snow for any length of time, incalculable injury must result to live stock...

We notice complaint in our Heppner correspondence as to the date the E. O. arrives at this office. This may be in part due to our carelessness lately, but we will see that we are not to blame for the future.

THE MAILS from Portland have been necessarily irregular of late on account of the river being frozen up and navigation stopped. Not satisfied with this, however, the stage team from Heppner a few nights ago ran off and lost the mail with the contents of the stage in the snow.

In another column will be found an important notice from R. A. Fay, Esq. Superintendent of the Umatilla Agency. This will doubtless be looked upon by many as an outrage, but it is nothing more than Mr. Fay's duty while the reservation lasts nothing more than what is right and just in the premises.

We beg to be excused for calling attention to an imperfect review found elsewhere of a very learned treatise on the Chinese question and hope we may have occasion some of its features and conclusions. We only wish we could reproduce the work in full.

Don't forget the entertainment to be given by the Pendleton Dramatic Troupe on the 17th inst. Great care and interest is being taken in making this affair a complete success and from the parties who will appear in the play we have no doubt but that a satisfactory verdict will be passed upon it.

LIST.—W. J. Turner, 2d Inf. and C. S. Degraw, A. A. Ferguson, U. S. A. stationed at Fort Colville, W. T. are in our town having been caught by the freeze-up on their way to Portland. May she long stay frozen.

J. R. Cairns, Sheriff of Lemore Co., Mich. says:—I have worn an "Only Long Pad" or Bronchial difficulties, and have not been troubled with a cough nights since wearing it.—See Ad.

Mrs. A. S. Duniway, the Championess of Women's Rights and advocate of Female Suffrage is in town.

Dr. Egan of Weston paid Pendleton a professional visit this week.

"The Gang" has a new member.

Reward of Merit. The Oregon Kidney Tea has been awarded two medals by the Oregon State Agricultural Society, the first of bronze and the second of gold, the difference in the value of the two indicating the increase in the esteem of the community which a year's trial of the remedy has induced.

Notice. I, I. Hathaway, want money just as well as other men. Therefore this is to request all parties knowing themselves to be indebted to me to come forward and settle all accounts without delay.

Notice. In order to reduce my surplus stock of cook stoves I will sell them at cost from this date until January 1st next.
