LOOK OUT FOR THE LOCOMO-

The ground has been broken, the field hands at work, and the railroad is in process of construction from Umatilla up the Umatilla river and across the . flat adjoining Pendleton. This is settled, and debate on the question closed.

On Monday evening last Mr. T. F. Oakes, Vice President and Manager of the O. R. & N. Co., and Mr. H. Thielsen, Chief Engineer, visited Pendleton the proposed route their road would they finally and officially announced the river bottom, bringing the road immediately alongside of Pendleton.
