DR. VAN DEN BERGH'S Sovereign Worm Syrup.

THIS TRULY WONDERFUL MEDICINE is warranted to expel all worms from the sowels and Stomach, except Tape and Chain Is warranted to exper all worms from the Rowels and Stomuch, except Tape and Chain Worms.

The proprietor has taken much paios to test the comparative merits of the principal Worm Medicines of the day, which, numerous as the Entozoo themselves, have overspread the land, each claiming for itself the name of specific; and, while we frankly acknowledge that many of them are often successful, and do great good, were we not assured that this combines advantages possessed by no other warm medicine, its introduction at this liste day would not have been attempted.

The pleasant faste and exceedingly small quantity of this medicine required to test the existence of worms, or to remove every one from the system—Its operating in a few hours, unadded by any other purge, together with its extrainty of effect, constitute it one of the most brilliant discoveries of the age.

Had we space here, scores of certificates might be adduced to show its progressive and rapidly increasing reputation for the last few years; but to promulgate its fame and establish its character, we only ask for a grial.

Its speedy operation in all sudden attacks, as convulsions, colic, fits or spassns, gives it an unrivaled superiority. Sent by express on receipt of price.
