[illegible] Visitor.

FRIDAY ..... MARCH 18, 187[illegible]

REVISED.

The offer of the Pine Tree Nurseries has been received, and we are ready to fill the subscriptions, except of Pear and Apple trees. The additional premium, namely, an Instructor of the Beehive, can be had of Mrs. Dunham, for fourteen cents, Postage paid.

PREVENTION VS. CURE.

A few weeks since we published an extract from an exchange, headed, "Woman's Rights Abroad," in which we noted a certain class of articles that always attract the attention that is diverted. From time to time we have seen the same story in substance related by several papers in England, with additional comments, and each time we have noted the fact that the publication of the article was followed by a petition to Parliament for the benefit of future generations, [illegible] will refer to it again.
