

AMUSEMENTS.

Strauss' new opera is called "The Merry War." There are fifteen companies singing "Patience" in the United States.

Gunther's new play, "The Journalist," was not a decided success in Chicago last week.

James O'Neil has signed an engagement with A. M. Palmer, at a salary of \$300 a week.

Emma Clefden, well known in this city, was recently married in New York to Charles Maubury, a juvenile actor.

The opening of "Haverly's California Theater" last Saturday evening with "Michael Strogoff" was a great success.

Robert McWade abandoned his scheme of risking a Christmas performance at the Grand Opera House, San Francisco.

Sam Peasey received great praise from the leading New York critics for his rendering of Macduff, Romeo, and other arduous characters, while supporting Edwin Booth in that city.

Mrs. Langtry, the London beauty, has made a successful debut as Mrs. Hardcastle, in "She Stoops to Conquer," at the Haymarket, London. She will appear at Wallack's in the Spring.

Miss Annie Adams is connected with Charlotte Thompson's "Planter's Wife" combination, now in the South, and receives flattering notices from the press. Little Maud is in the same company.

The Sheridan company returned to this city last evening and opened at New Market Theater in "Arrah-na-Pogue." The audience was not large, and the performance was not remarkable for its excellence.

An ingenious Paris actor gives the following tariff for claqueurs in that city: An ordinary round of applause, \$1, rising to \$10 for unlimited recalls; a laugh, \$1.50; a hearty laugh, \$2; groans, followed by applause, after a murder, \$2.50; murders of horror, \$3; "How amusing," "How clever he is," \$3 to \$4.

Patti's costume, on her first appearance in Brooklyn, was marvelous to contemplate. It was an embroidered white satin dress, which gave her a somewhat dumpy appearance. But the corage was one mass of precious stones, mainly rubies and emeralds, most of them very large. About her neck she wore the diamond necklace presented to her in St. Petersburg, and the value of which cannot be less than seventy-five thousand dollars.

Oregon to Massachusetts.

Some time ago, Messrs. Hodge, Davis & Co., of this city, read in a Massachusetts paper that Hon. Charles R. Ladd, Auditor of that State, was afflicted with an incurable kidney disease, and had been obliged to give up work and return to his home. They immediately sent him a box of their celebrated Oregon Kidney Tea, and from time to time sent him other boxes. A few days ago they received from him the following letter:

COMMONWEALTH OF MASSACHUSETTS.

Auditor's Dept., Boston, Nov. 11, 1881.
Messrs. Hodge, Davis & Co., Dear Sirs:—I have no hesitation in saying that I have been much benefited by the use of the Oregon Kidney Tea as a remedy for a kidney difficulty which has troubled me for six or eight years. I can heartily recommend it to those who are similarly afflicted as a safe and agreeable remedy. I shall test its virtues further, for I have great faith in it as a specific for many diseases of the kidneys. Respectfully yours,
CHARLES R. LADD.

The original of this letter can be seen by calling on Messrs. Hodge, Davis & Co., Portland, Oregon, and the Oregon Kidney Tea can be bought of any druggist or dealer in Oregon or Washington. Price, \$1.00 per box.

Nothing Short of Unmistakable Benefits

Conferred upon tens of thousands of sufferers could originate and maintain the reputation which AYER'S SARSAPARILLA enjoys. It is a compound of the best vegetable alternatives with the Iodides of Potassium and Iron, and is the most effectual of all remedies for scrofulous, mercurial or blood disorders. Uniformly successful and certain in its remedial effects, it produces rapid and complete cures of Scrofula, Sores, Boils, Humors, Pimples, Eruptions, Skin Diseases, and all disorders arising from impurity of the blood. By its invigorating effects it always relieves and often cures Liver Complaints, Female Weaknesses and Irregularities, and is a potent renewer of vitality. For purifying the blood it has no equal. It tones up the system, restores and preserves the health, and imparts vigor and energy. For forty years it has been in extensive use, and is to-day the most available medicine for the suffering sick anywhere. For sale by all dealers.

How to Secure Health.

It seems strange that anyone will suffer from the many derangements brought on by an impure condition of the blood, when Scovill's Sarsaparilla and Stillingia, or Blood and Liver Syrup, will restore perfect health to the physical organization. It is indeed a strengthening syrup, pleasant to take, and has proven itself to be the best Blood Purifier ever discovered, effectually curing Scrofula, Syphilitic Disorders, Weakness of the Kidneys, Erysipelas, Malaria, all Nervous Disorders and Debility, Bilious Complaints, and all Diseases indicating an Impure Condition of the Blood, Liver, Kidneys, Stomach, Skin, etc. It corrects indigestion. A single bottle will prove to you its merits as a health renewer, for it acts like a charm, especially when the complaint is of an exhaustive nature, having a tendency to lessen the natural vigor of the brain and nervous system.
