#### THE LOCAL KNOCKER.

our envious contemporary down the brought no reply, but a second letter street and to such an extent that it received attention, and today the gets out its little hammer and pro- Tribune is cherishing a brief note to ceeds to knock therewith. Chafing the effect that although the paper "is no doubt, under the many successes as good as any in Southern Oregon, which the Plaindealer is scoring of they cannot, etc. It is possible that late, and filled with envy, conceit and advertising amounting to over \$10 bile, our dyspeptic brother continues that appeared in our columns was to nag and find fault with the Plain- overlooked by the lynx-eyed staff, or dealer, in fact, he has brooded over else was not considered as being the success of his competitor and worth the price of the white paper perhaps his own waning popularity used in 365 copies of the Journal. and prestige until he has been seized with a kind of a mental alienation. aberration or dementa, his latest hallucination being that the Plaindealer's Tribune. late concise and down-to-date writeup of Roseburg and Douglas county CAN HAVE COUNTY INSPECTOR was an excerpt of some ancient number of his patent medicine circular, which becomes too absurd to be humorous when the mining articles, court shall appoint a county fruit inbuilding operations, school data, pop- spector, whose duty it shall be to inulation of the towns and county, etc., spect the apple and other fruit oris examined in our late write-up chards of the county, and to enforce edition. However, we must admit the fruit laws, provided that such inthat in order to secure cuts, compile, condense and cover the many subjects treated in our late write-up edirequires the examination and revision of a great deal of matter, which was not exceeding \$3 a day for actual · necessarily secured from various time employed. An inspector in an the courtesy of the Cottage Grove or Bohemia Nugget, that the fine cut and article on the Bohemia mines appeared in the special edition of our paper, while the Southern Pacific railroad officials also extended valuable assistance in the same direction. Excerpts were also taken from the Douglas county pamphlet, issued some time ago, and revised for this edition, as were also a few extracts from the Oregon Booster, published at Portland. However, it must be, and is generally admitted, that the write-up edition of the Plaindealer was comprehensive, concise, reliable and timely and will be productive of

We had resolved to pay no attention to the silly and selfish bickerings of our envious contemporary. but its persistent indulgence in personalities, insinuations and slurs rendered further forbearance no longer a virtue, hence this polite "call down." The Plaindealer has been content to build up and expand its business, influence and popularity entirely on its (w : merits, seeking in nowise to injure or tear down its contemporary. but on the other hand co-operate with it in every laudible enterprise and undertaking for the betterment and upbuilding of Roseburg and Douglas county, and we have therefore naturally expected fair treatment at its hands, which, however, has not been accorded us. Regardless of this fact we do not propose to knock, even the knockers, but shall continue to boost Roseburg Douglas county and the Twice-a-Week Plaindealer.

In conclusion we will say that if is not so much due to the success and enterprise of the Plaindealer as to the torpid condition of his liver and the derangement of his digestive or- things people actually need, we gans. Chamberlain's Stomach and wouldn't have so many railroads. It's Liver Tablets would work wonders in what people are taught to believe his case. Don't knock, neighbor, that they need that makes business.

remarks the Grants Pass Herald. | cuous as well as numerous list. | Inquire of Ed Cochran.

Commenting on the Plaindealer's statement that it had been cut off the Pertland (yellow) Journal's exchange list the Eugene Guard and Ashland

Perhaps the Plaindealer is in the same boat with a number of Oregon papers. The Journal has probably cut it out from the exchange list because the Plaindealer declined to boom the Journal through its columns free of charge. The Journal possesses a very narrow conception of journalistic courtesy. Its methods are of the cheap order. We combe a tail to Portland's vellow kite.-Eugene Guard.

The Tribune is another of the "country newspapers" whose right to ordinary newspaper courtesy has been ignored by the nice-appearing Congregational church convention at than either of the other two whose fast as millionaires are found to have mild reproof is chronicled above, be- employed illegal methods they well be cause it has been running the Jour- put on the black list from which Natinoal Day of Memorial. nal's advertising matter free of charge for several weeks past, has published a special clubbing offer and sent in six or eight new subscriptions larged from a six to a seven column for their semi-weekly within a month, eight paged paper. The Mail is one but all in vain. A second letter ask- of the best printed and best edited ing for an explanation was answered, country papers in Oregon. however, for which the editor of the Tribune is duly grateful, even though the reply killed the hope he enter- crops, says a subscriber. Surely tained of a renewal of the ordinary there is every indication that it will newspaper courtesy from the favored be true.

exchange list. For downright shabby treatment of ts equals, the Oregon Journal is entitled to all the money.-Ashland
