## STRENGTH

In a bank lies, first, in the ability and experience of its officers, "The men behind the gun;" second, its board of directors who advise with and direct the officers; and third, the Capital.

**LIBERALITY**—In a bank is its willingness to furnish funds to depositors to assist them in carrying on their legitimate business. Our motto is:

"**STRONG AND LIBERAL**"—Look us up and if you find us deserving, give us your business.

**Nann Smith Due.**—The Nann Smith is due in today from the south. She is towing a lumber schooner up.

**Begin Driving Piling.**—A force began work this morning driving piling for the new Chandler hotel. The work will be rushed and will probably be completed in twenty days.

**Tom Thorson Better.**—Tom Thorson, the teamster who was injured at the C. A. Smith mill Monday night, was reported resting easier this morning. The chances for his recovery are now considered good.

**Eureka and Plant Sail.**—The Eureka will sail from Portland today for Coos Bay, reaching here tomorrow night or Friday morning. The M. F. Plant will sail from San Francisco Thursday afternoon for Coos Bay, reaching here Saturday. She will sail from here Sunday.

**Boy Vandals in Cottages.**—Owners of summer homes and cottages on South Coos River have been informed that a number of Marshfield boys recently broke into the homes there and caused considerable damage. The identity of the lads has been ascertained and they may be prosecuted. Among the homes entered were those of Dr. J. T. McCormac and Eugene O'Connell.

**Will Have Library.**—The labor organizations of Coos Bay and the Socialists are perfecting plans for securing a library for their joint use. While works on economic questions will doubtless be first acquired the library is to be broad in its scope and contain all standard literature as rapidly as it can be acquired if satisfactory cooperative arrangements can be made. A joint meeting is to be held in the Socialist Hall next Sunday at which committees will be named and plans discussed.

**James Fuller Buried.**—James Fuller, the Coos county pioneer and veteran who died a few days ago, was buried from the M. J. Mangan undertaking parlors yesterday afternoon. So far as can be ascertained, he has no living relatives. Prior to his death, he informed Dr. Ingram of all his liabilities and asked that his property be sold to pay the debts which with the expenses of his last illness and the funeral equal the value of his property.

**Will Be Married.**—Marshfield friends are in receipt of invitations announcing the coming marriage of Nellie Agnes Litchfield and Mr. Peter Marsden which will take place at the home of the bride's sister, Mrs. Stephen A. Sanford, in Roseburg, Monday afternoon, July 6.
