O. L. Hopson, Marshfield, Ore.:

Account the very large business that is developing on and around Great Lakes that we have not anticipated or expected and the large increased foreign demand coupled with the recent contracts covering the China Empire. I shall on my return to New York call the executive board together to consider a further advance in the price of stock to take effect at once or not later than May 1st. I feel the committee would be justified in advancing to fifty. C. C. WILSON, President United Wireless Telegraph Company.

ALL IN READINESS FOR BIG BOUT
LOU CARRANZA AND FRED SAX BOTH CONFIDENT F WINNING IN THE CONTEST ON FRIDAY EVENING

J. R. Herron, manager of the coming boxing contest to be given at the skating rink in Marshfield, on Friday evening of this week, says it will be one of the most lively ever given on the Bay. Both men are in the pink of condition and both are confident of winning. In a signed statement made to him today Carranza and Sax both claim to be in winning form, Carranza asserting

the count of 10 before 15 rounds. By saying this I am not underestimating Sax any, as he is a young man and should put up a good stiff defense and for that reason I have been training steady since I beat Lou on the 12th of last month. I am not going into details about my success as everybody on Coos Bay has seen me at work.
"LOU CARRANZA."
STATEMENT BY SAX.
To J. R. Herron:—
"I have trained faithfully for my coming contest and I am in good condition and fit to put up the battle of my life and expect to win before the 20th round is reached."
FRED SAX.
