Official Paper of Coos County.

"A NATION OF LIARS."

CHAIRMAN PAYNE, of the Ways and Means Committee of the House of Representatives, has said that the imposition of the income tax "would make us a Nation of liars."

Commerce, politics, business, society; everything susceptible of juggling is prostituted to the lust of the dollar, the place, the advantage extraordinary, with but little heed given to the course adopted, save that it shall be successful.

Mr. Payne need not trouble to put forward any such common and wholly acceptable doctrine as this. We have arrived alright, and the only issues left are who shall lie the best and steal the most.

It is but a question of reaching the pass where the glossed crimes of the period shall make the people mad and reckless from denial and defeat and move them to worse things, or better. That day will come, and with it the revulsion that shall save us from the ultimate peril or sink the nation in a blood-atonement that shall clearly mark a new era.

Archbishop Christie Wants It For Parochial School Here.

It is understood that negotiations are on which may result in the purchase of the J. E. Oren residence property in South Marshfield by the Catholic church and the transforming of it into a parochial school.

Archbishop Christie will visit here again this fall and it is not unlikely that arrangements will be made at that time to take the property over.

CHURCH MEN TO MEET HERE

Annual Convention of the Swedish Lutheran Columbia Conference.

The Swedish Lutheran Columbia Conference will hold its annual meeting at the Lutheran church in Marshfield, September 3 to 6, according to advices just received by the Rev. B. F. Bengtson, pastor of the local church.

Bishop C. E. Frisk of Tacoma, Wash., will preside at the meetings which will probably be attended by eighteen ministers and probably an equal number of lay delegates.

Rev. Bengtson will shortly call a meeting of his congregation to arrange for the entertainment of the delegates while here.
