

WITH THE TOAST AND TEA
GOOD EVENING

Your goodness is of no use if you are not good to others. If you don't make use of your goodness, what is the good of it?

Only a night from old to new! Only a night and so much wrought! The old year's heart all weary grew, But said, "The new year rest has brought."

The old year's heart its hopes laid down
As in a grave, but, trusting, said, "The blossoms of the New Year's crown
Bloom from the ashes of the dead." The old year's heart was full of greed. With selfishness it longed and ached
And cried: "I have not half a need! My thirst is bitter and unslaked. But to the New Year's generous hand All gifts in plenty shall return. True loving it shall understand. But all my failures it shall learn. I have been reckless. It shall be Quiet and calm and pure of life. I was a slave. It shall go free And find sweet peace where I leave strife."

Only a night from old to new! Never a night such changes brought.
The old year had its work to do. No new year miracles are wrought.

Always a night from old to new— Night and the healing balm of sleep.
Each morn is New Year's morn come true—
Morn of a festival to keep.
All nights are sacred nights to make Confession and resolve and prayer. All days are sacred days to wake New gladness in the sunny air.
Only a night from old to new; Only a sleep from night to morn! The new is but the old come true. Each sunrise sees a new year born. —Selected.

EUREKA PUT ON NEW RUN

Steamship Transferred From Portland Run to San Francisco.

PORTLAND, Ore., Dec. 31. — On her arrival at Eureka this trip the steamship Eureka will be withdrawn from service out of Portland. From the Humboldt County metropolis she will proceed to San Francisco. As yet no advices have been received here as to what disposition will then be made of the steamer. It is rumored that she will be placed on a short run out of the Bay City.

The Eureka will be in command of Captain Poulsen, who was transferred from the Santa Clara on the arrival of the latter from San Francisco. Captain Doren, who was master of the Eureka, will take a similar position on the Santa Clara. This steamer, which has been clearing direct from Portland for San Francisco, will now call in at Eureka on both the up and down trips. She will alternate with the steamship Geo. W. Elder, one of which will be leaving here every 14 days for Eureka and San Francisco. From now on the North Pacific Steamship Company will have no steamer making port of entry calls at Coos Bay.

Announcement of the withdrawal of the Eureka from the Coos Bay and Eureka route came as a surprise to the shippers and general public. Making weekly trips she had been running out of here in the freight and passenger trade for more than a year. She had been providing a fine service and was well patronized. The craft has been one of the few coasters which had been coming and going with the regularity of clockwork.

The company will still have three steamers plying between Portland and California ports. In command of Captain Hannah the Roanoke will go through to San Pedro, stopping on both the down and up trips at San Francisco. She has been fitted up for carrying three classes of passengers, the same fare being quoted as that charged by the San Francisco & Portland Steamship Company.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly trying to cure with local treatment, pronounced it incurable. Science has proven a truth to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken in doses from 16 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists, 7c.
