A "WIDE OPEN" POLICY.

Victoria Colonist.

Very many people are of the opinion that what is called a "wide open" policy is a good thing for the business of any community. We do not believe it is. Unquestionably such policies are associated with the term keep money moving, but it is a sound economic principle, that the employment of money for purposes that are economically illegitimate interests with legitimate business.

Just think of J. Pierpont Morgan backed by the Rothschild money. We have tried to think of it, and have been

line the more goes into homes of men of small means. It is true that the saloon-keeper may be able to build himself a good house, although comparatively few of them do. It is true that some landowner may be able to build a substantial building because he can rent the corner as a saloon. But such structures only represent a fragmentary part of the money that is spent by the frequenters of saloons. If there were less drinking and gambling and more building of homes, the community would be far richer, there would be far more employment of mechanics, and the whole business tone of the community would be better.

This article is not suggested by anything occurring at the present time in Victoria. There is a marked improvement here in all the essentials going to make up a "wide open" town. It is a matter of common remark that there is much less promiscuous drinking here than formerly. Neither is it written to inaugurate a moral crusade. Moral crusades often leave a place no better than they find it, for a reaction is apt to set in. The best way to keep vice down is to keep it down. When it shows one of its Medusa heads, strike it. If authority goes roving after vice, it will only drive it deeper into hiding. You cannot exterminate it, but you can treat it like a pestiferous disease—keep it under strict quarantine.

"A few months ago food which I ate for breakfast would not remain on my stomach for half an hour. I used one bottle of your Kodol Dyspepsia Cure and can now eat my breakfast and other meals with a relish and know food is thoroughly digested. Nothing such as Kodol Dyspepsia Cure for stomach troubles. H. S. Pitts, Arlington, Tex. Kodol Dyspepsia Cure digests what you eat. CHAS. ROGERS, Druggist.

Whenever I eat too much of something I always dream that I have got myself engaged.

Dyspepsia cannot be long lived because to live requires nourishment. Food is not nourishing until it is digested. A diseased stomach cannot digest food; it must have assistance. Kodol Dyspepsia Cure restores the stomach without aid from the stomach, allowing it to rest and regain its natural functions. Its elements are exactly the same as the natural digestive fluids and it simply can't help but do you good. CHAS. ROGERS, Druggist.

A woman's way of fixing it with her conscience for not being found out is to bake it hard for the woman who does the same thing and gets caught at it.

QUICK RELIEF FOR ASTHMA. Miss Maude Pickens, Parsons, Kan., writes: "I suffered eight years with asthma in its worst form. The true real will be clear to the Cubans as soon as they freely and spontaneously grasp the fact that a chance for annexation to this country is a great privilege.

Edward Huss, a well known business man of Salisbury, Mo., writes: "I wish to say for the benefit of others, that I was a sufferer from lumbago and kidney trouble, and all the remedies I took gave me no relief. Allen Halverson of West Prairie, Wis., says: "People come ten miles to buy FOLEY'S KIDNEY CURE" while J. A. Spron, of Helmer, Ind., says: "It is the medical wonder of the age." Hart's Drug Store.

Aguinaldo speaks of the "glorious sovereign banner of the United States," a phrase that will be sharper than a serpent's tooth to the Missouri legislature.

Ira D. Beckard, Danoumb, Ia., writes: "My little boy, named his leg from the knee to the ankle. I used BANNER SALVE immediately and in three weeks' time it was almost entirely healed. I want to recommend it to every family and advise them to keep Banner Salve on hand, as it is a sure cure for scalds or any sores." Hart's Drug Store.
